CONTENTS

Cosmic Radiation and Cancer:
Frank H. J. Figge .......................................................... 323

Does Patent Consciousness Interfere
With Cooperation Between Industrial
and University Research Laborato-
ries?: L. A. Hawkins .................................................. 326

Theory of Reactions of Cells to Goitro-
genic Thiopyrimidines:
Louis Laufer and Earl D. Stewart ....... 327

News and Notes ............................................................. 329

Comments by Readers .................................................... 333

Technical Papers

Control of Cracking of Fruit by Rain:
W. L. Powers and W. B. Bollen .................. 334

Methionine Metabolism and A-Aminobutyric Acid:
Charles E. Deni ....................................................... 335

Failure to Produce Neoplasms in Rats by Feeding
Heated Wheat-Germ Oil: Charles Hoffman, et al ...... 336

The Occurrence of Two Fertile Florets in the Spikelets
of Chloris: Mildred P. Mauldin ....................... 336

Translocation of a Radioactive Plant-Growth Regulator
in Bean and Barley Plants: John W. Wood,
J. W. Mitchell, and George W. Irving, Jr ........ 337

In the Laboratory

Inactivation of 2,4-D by Adsorption on Charcoal:
E. H. Lucas and C. L. Hamner ..................... 340

Pilometric Measurements and the Rheological Prop-
ties of Hair: Alfred Lewin Copley ................. 340

A New Method for the Direct Recording of Prolonged
Time-dependent Processes: Wolf von Witten ........ 342

Experimental Production of Anti-Rh Sera by the Use
of Human Erythrocyte Stromata:
Fred W. Gallagher and George P. Pillischer .... 344

Book Reviews

Principles of radar:
Members of the Staff, Radar
School, Massachusetts Institute of Technology.
Reviewed by Edwin R. Sanders .................. 345

Lectures on the calculus of variations: Gilbert A. Bliss.
Reviewed by T. Rad6 ................................................. 346

Scientific Book Register ................................................. 346

Change of address. Four weeks notice required for change of ad-
dress. When ordering a change, please furnish an address stencil label
from a recent issue. Address changes can be made only if the old as well
as the new address is supplied.

Annual subscription, $7.50; single copies, $2.50; foreign postage (out-
side the Pan-American Union), $1.00 extra, Canadian postage, $.50 extra.
Remittances and orders for subscriptions and for single copies, notices
of changes of address, and claims for missing numbers should be sent to
the Circulation Department.

Entered as second-class matter January 17, 1947, at the postoffice at
Baltimore, Maryland, under the act of March 3, 1879.
