  Reviewed by W. D. Herschberger ............................................................. 74
  Foundations of algebraic geometry: André Weil.
  Reviewed by W. V. D. Hodge .................................................................. 75
  Probit analysis: a statistical treatment of the sigmoid response curve:
  D. J. Finney. Reviewed by F. M. Wadley .................................................. 76

Scientific Book Register ........................................................................ 76

Annual subscription, $7.50; single copies, $1.25; foreign postage (outside the Pan-American Union), $1.00 extra;
Canadian postage, $0.50 extra. Remittances and orders for subscriptions and single copies, and notices of changes of
address should be sent to the Circulation Department, AAAS, North Queen Street and McGovern Avenue, Lancaster, Penn
sylvania, and 1515 Massachusetts Avenue, N.W., Washington 5, D. C. Claims for missing numbers will not be allowed if
received more than 60 days from date of issue. No claims allowed from subscribers in Central Europe, Asia, or the
Pacific Islands other than Hawaii or because of failure to notify the Circulation Department of a change of address or
because copy is missing from the files.

Change of address. Four weeks notice is required for change of address. When ordering a change, please furnish
an address stencil label from a recent issue. Address changes can be made only if the old as well as the new
address is supplied.

The American Association for the Advancement of Science also publishes The Scientific Monthly. Subscription rates
on request.
