Transmission by Leaf Hoppers of the Virus Causing Phloem Necrosis of American Elm:
W. L. Baker .......................................................... 307

The Mechanism of Cysteine and Glutathione Protection Against Alloxan Diabetes:
Arnold Lazarow, John W. Patterson, and Stanley Levey .......................................................... 308

In the Laboratory
Adaptation of Sekyn Transmitters for Obtaining Isometric Myographs on the Cathode-Ray Oscilloscope: Robert L. Bowman .......................................................... 310

Effect of Calcium Chloride on the Preparation of Extracts of E. pertussis:
Jean I. Burrell, K. C. Robbins, and Louis Fillemor .......................................................... 311

Scientific Book Register .......................................................... 312

Science, a weekly journal, is published each Friday by the American Association for the Advancement of Science at The Johns Hopkins Press, Incorporated, N. Queen St. and Metcalf Ave., Lancaster, Pa. Founded in 1880, it has been since 1900 the official publication of the AAAS. Editorial and Advertising Offices, 1515 Massachusetts Avenue, N.W., Washington 5, D.C. Telephone, Executive 6550 or 661. Cable address, SCIMAG, Washington, D. C. Entered as second-class matter at the Post Office at Lancaster, Pa., January 13, 1948, under the Act of March 3, 1879. Acceptance for mailing at the special rate postage provided for in the Act of February 28, 1925, embodied in paragraph 4, Sec. 538, P. L and R., authorized January 18, 1948.

Articles offered for publication should be sent to the Editor. The AAAS assumes no responsibility for the opinions expressed by contributors. Membership correspondence for the AAAS should be sent to the Administrative Secretary.

Annual subscription, $7.50; single copies, $25; foreign postage (outside the Pan-American Union), $1.00 extra; Canadian postage, $0.50 extra. Remittances and orders for subscription and single copies should be sent to the Circulation Department, AAAS, North Queen Street and Metcalf Avenue, Lancaster, Pennsylvania, and 1515 Massachusetts Avenue, N.W., Washington 5, D.C. Claims for missing numbers will not be allowed if received more than 90 days from date of issue. No claims allowed from subscribers in Central Europe, Asia, or the Pacific Islands other than Hawaii or because of failure to notify the Circulation Department of a change of address or because copy is missing from the files.

Change of address. Four weeks notice is required for change of address. This should be sent to Science, 1515 Massachusetts Avenue, N.W., Washington 5, D.C. When ordering a change, please furnish an address stencil label from a recent issue. Address changes can be made only if the old as well as the new address is supplied.

The American Association for the Advancement of Science also publishes The Scientific Monthly. Subscription rates on request.

SCIENCE, September 17, 1948, Vol. 108
