CONTENTS

Oak Ridge National Laboratory
Alvin M. Weinberg ........................................... 245

On the Calculation of Planet Temperatures from the Composition of Meteoritic Matter:
I. M. Klotz ...................................................... 248

The Composition of Meteoritic Matter and the Origin of Meteorites:
Harrison Brown ................................................. 251

Technical Papers

An Alternative Method for the Culture of Sciarid Larvae:
Jean D. Bath and O. L. Sponsler .......................... 255

Discontinuities in Properties of Water as a Function of Temperature:
George Antonoff and Robert J. Conan ....................... 255

A Study of Gastric HCl Formation:
W. B. Patterson and DeWitt Stetten, Jr. ................. 256

Deposition and Simultaneous Concentration of Dilute Solutions in Paper Partition Chromatography:
Karl F. Urbach .................................................. 259

A Simple Device For Exposure of Groups of Mice to Uniform X-Ray Doses:
Alvin Haber ..................................................... 260

Infrared Spectrometry in Metabolic Studies
With Deuterium-labeled Steroids:
Konrad Dobriner, et al. ........................................ 260

The Use of Change in Capacity to Record Cardiac Volume in Human Subjects:
William V. Whitehorn and Edward R. Perl ............... 262

Comments and Communications

In Praise of Chisholm's "Social Responsibility"; Concerning the Nutritive Value of Bread;
The Structure-Action Relationships of the Choline Group ......................................................... 264

News and Notes .................................................... 267

Manuscripts submitted for publication should be sent to the Editorial Office, with stamped, self-addressed envelope enclosed for possible return. The AAAS assumes no responsibility for the safety of the manuscripts or for the opinions expressed by contributors.

Annual subscription, $7.50; single copies, $2.50; Canadian postage, $.50. Remittances and orders for subscriptions and single copies should be sent to the Circulation Department, Science, 1515 Massachusetts Ave., N.W., Washington 5, D. C. Membership correspondence for the AAAS should be addressed to the Administrative Secretary at the same address.

Change of address: Four weeks' notice is required for change of address. This should be sent to Science Recorder, 1515 Massachusetts Ave., N.W., Washington 5, D. C. When ordering a change, it is necessary to furnish an address stencil label from a recent issue. Claims for a missing number will not be allowed if received more than 60 days from date of issue. No claims allowed from subscribers due to failure to notify the Circulation Department of a change of address or because an issue is missing from their files, or for any reason from subscribers in Central Europe, Asia, or the Pacific Islands (other than Hawaii).

The AAAS also publishes The Scientific Monthly. Subscription rates on request.
