CONTENTS

A New Development in Ocean Wave Research:
H. R. Seiwell and George P. Wadsworth ....................................... 271

Comparative Electron and Light Microscopic Investigations of Tactoid Structures in V_2O_5-sols:
John H. L. Watson, Wilfried Heller, and Wesley Wojtowicz ................. 274

Technical Papers
Alleviation of Experimental Diabetes in Man by Administration of Reduced Glutathione (GSH): Metabolic Implications:
Jerome W. Conn, Lawrence H. Louis, and Margaret W. Johnston ............ 279

Production of Acute Gouty Arthritis by Adrenocorticotropic:
Leon Hellman ................................................................. 280
A Simple Method for Welding Thermocouples:
James A. Riley ..................................................................... 281

Secretion of Radioactive Calcium in the Hen's Egg:
C. L. Comar and J. Clyde Driggers .............................................. 282

Statistical Data on Glacial Boulders:
Gerald A. Waring ..................................................................... 283

Characteristics of the Desoxycholate-treated Cytochrome Oxidase:
S. J. Cooperstein, B. Eichel, and W. W. Waino ................................ 284

The Analgesic Action of Teropterin:
Donald Slaughter ..................................................................... 286

Flow in a Thin Glass Capillary as Affected by Wetting the Exterior of the Capillary:
J. C. Henniker and J. W. McBain .............................................. 286

Paper Chromatography of Flavonoid Pigments:
Simon H. Wender and Thomas B. Gage ........................................ 287

The Inhibitory Role of "Motor" Nerves:
A. R. McIntyre and A. L. Bennett .............................................. 289

Comments and Communications
Cultural and Scientific Conference for World Peace; Terminology for Sedimentation Force in Centrifugation; Scientific Method and Social Problems; Colloidal Electrolytes .................................................. 290

Book Reviews
The chemistry of high polymers:
C. E. H. Bawn. Reviewed by Turner Alfrey, Jr. ..................................... 292
Les richesses de la mer: Noël Boudarel. Reviewed by Lorus J. and Margaret J. Milne ................................................................. 292

Psychology; William James. Reviewed by Walter R. Miles ................. 293
Organic reactions, IV: Roger Adams. Ed.-in-Chief. Reviewed by Everett S. Wallis ................................................................. 293

Scientific Book Register ............................................................... 294

Association Affairs
Southwestern Division, AAAS ..................................................... 294

News and Notes ........................................................................ 295

---

Manuscripts submitted for publication should be sent to the Editorial Office, with stamped, self-addressed envelope enclosed for possible return. The AAAS assumes no responsibility for the safety of the manuscripts or for the opinions expressed by contributors.

Annual subscription, $7.50: single copies, $2.50: foreign postage, outside the Pan-American Union, $1.00: Canadian postase, $5.00. Remittances and orders for subscriptions and single copies should be sent to the Circulation Department, Science, 1515 Massachusetts Ave., N.W., Washington 5, D.C. Membership correspondence for the AAAS should be addressed to the Administrative Secretary at the same address.

Change of address: Four weeks' notice is required for change of address. This should be sent to Science Recorder, 1515 Massachusetts Ave., N.W., Washington 5, D.C. When ordering a change, it is necessary to furnish an address stencil label from a recent issue. Claims for a missing number will not be allowed if received more than 60 days from date of issue. No claims allowed from subscribers due to failure to notify the Circulation Department of a change of address or because an issue is missing from their files, or for any reason from subscribers in Central Europe, Asia, or the Pacific Islands (other than Hawaii).

The AAAS also publishes The Scientific Monthly. Subscription rates on request.
