### Table of Contents

On the Notions of Causality and Complementarity: Niels Bohr ........................................ 51

In Memoriam
   Leonor Michaelis; Alfred Lee Franklin;
   Ralph R. Parker .................................................. 55

Technical Papers
   Carbon 14 Beta Track Autoradiography:
      George A. Boyd and Hilde Levi ......................... 58
   A Technique for Sectioning Microfossils:
      Stuart A. Levinson ........................................ 60
   The Fate of Plasma Cells: P. Bueno ...................... 60
   Isolation of 17-Hydroxy 11-Dehydro Corticosterone (Kendall's Compound E)
   from Urine of Normal Males:
      John J. Schneider ......................................... 61
   Large Scale Paper Chromatography:
      Charles Yanofsky, Elga Wasserman, and
      David M. Bonner ........................................ 61
   Relationship in Mice of Intestinal Emptying Time and Natural Resistance to Pig Ascaris
   Infection: John E. Larsh, Jr. ............................. 62
   Electrometric Titration of Some Functional Groups:
      T. Higuchi, Carl J. Lintner, and Robert H. Schleif .. 63
   Quantitative Evaluation of Gomori Histochemical Preparations: W. L. Doyle .......... 64
   Comparison of Electroencephalographs of Young Rats from Dams on Synthetic and on
   Normal Diets: M. D. Overholser et al. ..................... 65
   Studies on the Life Cycle of Syphacia obvelata, a Common Nematode Parasite of
   Rats: Marjorie Jean Raceke Prince ......................... 66

Comments and Communications
   The Donora Episode; Molecular Orientation and Intracellular Photometric Analysis .......... 67

Scientific Book Register ........................................ 74

News and Notes .................................................. 75

---

Manuscripts submitted for publication should be sent to the Editorial Office, with stamped, self-addressed envelope enclosed for possible return. The AAAS assumes no responsibility for the safety of the manuscripts or for the opinions expressed by contributors.

Annual subscription, $7.50; single copies, $.25; foreign postage, outside the Pan-American Union, $1.00; Canadian postage, $.50. Remittances and orders for subscriptions and single copies should be sent to the Circulation Department, *Science*, 1515 Massachusetts Ave., N.W., Washington 5, D. C. Membership correspondence for the AAAS should be addressed to the Administrative Secretary at the same address.

Change of address. Four weeks' notice is required for change of address. This should be sent to Science Recorder, 1515 Massachusetts Ave., N.W., Washington 5, D. C. When ordering a change, it is necessary to furnish an address stencil label from a recent issue. Claims for a missing number will not be allowed if received more than 60 days from date of issue. No claims allowed from subscribers due to failure to notify the Circulation Department of a change of address or because an issue is missing from their files, or for any reason from subscribers in Central Europe, Asia, or the Pacific Islands (other than Hawaii).

The AAAS also publishes *The Scientific Monthly*. Subscription rates on request.
Science 111 (2873), 51-78.
