## Table of Contents

The Size of Silicone Molecules:  
*Theodore G. Rochow and Eugene G. Rochow* .......... 271

Technical Papers

Ovarian Tumors and Inhibition of Embryo Growth in Incompatible Crosses of *Datura*: *J. Rappaport, S. Satina,* and *A. F. Blakeslee* ........................................ 276

A Mechanical Heart with Coagulable Blood: *Lucien Brull* .................................................. 277

Hollow Crystals of Nitroguanidine: *Joseph Cohen et al.* ...................................................... 278

Vacuum Differential Thermal Analysis: *Walter L. Whitehead and Irving A. Breger* .......... 279

Developmental Failure of the Pituitary in Amphibian Embryos Treated with Sugar: *Richard M. Eakin* .................................................. 281

A Very Water-soluble Riboflavin Derivative: *George B. Stone* ........................................... 283

A Correction for Linkage in the Computation of Number of Gene Differences: *Everett R. Dempster and Leon A. Snyder* ........ 283

Correlation of Certain Physical Constants of Some Alkyl Esters of $n$-Phenyl Carbamic Acid, with Their Phytotoxicity: *V. H. Freed* .............................................................. 285

The Relationship between Human Serum Cholinesterase and Serum Albumin: *Milton Gjelhaus Levine and Robert E. Hoyt* 286

Comments and Communications

Foraminifera and Deep Sea Stratigraphy; A Folliculinid from Northwestern Iowa; Photographing Graphs for Publication; Hotchkiss Reaction and Structure of Polysaccharides; Categories of Availability or Validity of Zoologic Names ........................................ 288

Scientific Book Register ........................................ 290

News and Notes ........................................ 291

---

Manuscripts submitted for publication should be sent to the Editorial Office, with stamped, self-addressed envelope enclosed for possible return. The AAAS assumes no responsibility for the safety of the manuscripts or for the opinions expressed by contributors.

Annual subscription, $7.50; single copies, $.25; foreign postage, outside the Pan-American Union, $1.00; Canadian postage, $.50. Remittances and orders for subscriptions and single copies should be sent to the Circulation Department, *Science*, 1515 Massachusetts Ave., N.W., Washington 5, D. C. Membership correspondence for the AAAS should be addressed to the Administrative Secretary at the same address.

Change of address. Four weeks' notice is required for change of address. This should be sent to Science Recorder, 1515 Massachusetts Ave., N.W., Washington 5, D. C. When ordering a change, it is necessary to furnish an address stencil label from a recent issue. Claims for a missing number will not be allowed if received more than 60 days from date of issue. No claims allowed from subscribers due to failure to notify the Circulation Department of a change of address because an issue is missing from their files, or for any reason from subscribers in Central Europe, Asia, or the Pacific Islands (other than Hawaii).

The AAAS also publishes *The Scientific Monthly*. Subscription rates on request.
