Table of Contents

The National Academy of Sciences:
Abstracts of Papers Presented at the 1950 Annual Meeting .................................. 453

Technical Papers
The Availability of Various Manganese Oxides to Plants:
L. H. P. Jones and G. W. Leeper .............................................. 463
The Distribution of $^{34}$S in Nature and the Sulfur Cycle: A. Szabo et al. ............. 464
Weight and Body Temperature:
Simon Rodbard ........................................................................... 465
On the Amendment of the Nomenclature of the Rh-CDE System: Edward F. Ducey
and Robert I. Modica ..................................................................... 466
Rate of Elimination of C$^{14}$ Administered as BaC$^{14}$O$_{3}$: J. Govaerts ................. 467
Studies on the Metabolism of Administered Cytochrome C by the Aid of Iron-labeled
Cytochrome: Helmut Heinert .......................................................... 469

A Noncarotene Provitamin A for Fishes: Charles E. Lane ........................................ 471
Pantothenic Acid in Copper Deficiency in Rats: Leon Singer and George K. Davis .... 472
The Isolation of a Muco polysaccharide from Aerobacter aerogenes: George H. Warren 473
On the Mechanism of Action of Aureomyein: W. F. Loomis ...................................... 474

Comments and Communications
Absence of Vitamin A in Liver Oil of the Brown Shark; Radioactive Phenomena at
the Hillside Mine; Fermentative Capacity of Lactobacilli from Carious Lesions;
The Agricultural Impasse; Note on the Protective Action of Diparel against
Lethal Doses of Nicotine .................................................................. 475

News and Notes ............................................................................. 477

Manuscripts submitted for publication should be sent to the Editorial Office, with stamped, self-addressed envelope enclosed for possible return. The AAAS assumes no responsibility for the safety of the manuscripts or for the opinions expressed by contributors.

Annual subscription, $7.50; single copies, $.25; foreign postage, outside the Pan-American Union, $1.00; Canadian postage, $.50. Remittances and orders for subscriptions and single copies should be sent to the Circulation Department, Science, 1515 Massachusetts Ave., N.W., Washington 5, D.C. Membership correspondence for the AAAS should be addressed to the Administrative Secretary at the same address.

Change of address. Four weeks' notice is required for change of address. This should be sent to Science Recorder, 1515 Massachusetts Ave., N.W., Washington 5, D.C. When ordering a change, it is necessary to furnish an address stencil label from a recent issue. Claims for a missing number will not be allowed if received more than 60 days from date of issue. No claims allowed from subscribers due to failure to notify the Circulation Department of a change of address or because an issue is missing from their files, or for any reason from subscribers in Central Europe, Asia, or the Pacific Islands (other than Hawaii).

The AAAS also publishes The Scientific Monthly. Subscription rates on request.
Science 111 (2887), 453-480.
