United States postage paid at New York, N.Y., and at additional mailing offices. Postage is paid by the American Association for the Advancement of Science. This is the official organ of the American Association for the Advancement of Science, founded in 1848, which publishes Science, Science News, The Science News Letter, Science Graphic, and other periodicals. It is supported by subscriptions and dues and is not operated for profit.

All correspondence should be sent to Science, 1515 Massachusetts Ave., N.W., Washington 5, D.C. The AAAS assumes no responsibility for the safety of manuscripts or for the opinions expressed by contributors. Four weeks' notice is required for change of address, and an address stencil label from a recent issue must be furnished. Claims for a missing number will be allowed only if received within 60 days from date of issue.

Annual subscriptions, $7.50; single copies, $.25; foreign postage, outside the Pan-American Union, $1.00; Canadian postage, $.50.

The AAAS also publishes The Scientific Monthly. Subscription rates on request.
