For Large Capacity Laboratory Work

CASTLE RECTANGULAR AUTOCLAVES

Large laboratories find the answer to their heavy sterilizing requirements in a Castle Rectangular Autoclave.

These Autoclaves are equipped with dual discharge for three functions: (1) sterilization at temperature of pure steam; (2) sterilization at temperature of flowing steam; (3) sterilization at temperature of steam and air combined.

Every feature of these heavy-duty Autoclaves is designed to simplify its operation and guarantee its safety. For full details write for “Bulletin 2-5.” Wilmot Castle Company, 1212 University Avenue, Rochester 7, N. Y.

KLETT ELECTROPHORESIS

CUSTOM MADE

TOOL FOR THE ANALYSIS OF COMPLEX COLLOID SYSTEMS, AND FOR THE CONTROL OF PRODUCTION OF PURIFIED PROTEINS, ENZYMES, HORMONES

KLETT MANUFACTURING CO.

NEW YORK, N. Y.
Keep your copies of SCIENCE always available for quick, easy reference with this all-purpose "BINDER"

- It's PRACTICAL—simply snap the magazine in with a strong flat wire, without cutting, punching, or mutilating. Snap it out just as easily... all in a matter of seconds. It opens FLAT—for easy reference and readability. Holds 26 issues.

- It's ATTRACTIVE—in beautiful maroon buckram, stamped in gold leaf. A fine addition to your library.

- It's DURABLE—sturdily constructed to withstand much use—ideal for classroom, laboratory, and library.

- It's PERSONAL—your name stamped on the cover for only 70¢ in addition to the regular price of $2.75—the year of issue will be included for 40¢ extra.

It's Brand New!

PHIPPS & BIRD

PIPETTE WASHER

Here it is, the new Phipps & Bird Pipette Washer! Notice the chamber is constructed entirely of virtually unbreakable chemical-resistant plastic. This type of construction eliminates usual hazards of overflow. Rack is fabricated of chemical-resistant stainless steel. No elaborate connections are necessary for installation. Simply connect hose from input on washer to standard laboratory faucet. Chamber dimensions 3½" x 18"; dimensions of rack 2½" i.d. x 18" tall.

Cat. No. 71-227 $42.50

Plastic chamber accessory—same dimensions as Washer chamber. Used for pipettes during soaking period. $10.00 ea.

NEW MEDICAL MICROSCOPE

HIGHEST QUALITY despite the low price. Satisfaction guaranteed. Sold on ten days approval

Equipped with:
5x and 10x Oculars
Achromatic Objectives
16mm (10x) m.a. 0.30
4mm (44x) m.a. 0.66
100x oil immersion abbe condenser with iris diaphragm
Plano-concave mirror and GRADUATED mechanical stage, with carrying case

$255.00
10% discount on 5 or more.

PERSONNEL PLACEMENT

YOUR ad here reaches over 32,000 foremost scientists in the leading educational institutions, industrial laboratories, and research foundations in the U. S. and 76 foreign countries—at a very low cost.

CLASSIFIED: 18¢ per word, minimum charge $3.60. Use of Box Number counts as 10 additional words. DISPLAY: $19.50 per inch, no charge for Box Number. Correct payment to SCIENCE must accompany all ads. Insertion usually made 2 or 3 weeks after receipt of ad. SCIENCE  •  1515 Mass., Ave., N.W., Wash. 5, D. C.

POSITONS WANTED

Biochemist: Ph.D. Two years industrial experience in nutritional biochemistry research seeks academic position or non-research position in industry. Box 297, SCIENCE. 10/17, 10/24

Literature work wanted for research projects in Bioch., microbial, or allied fields. Experienced Ph.D. will devote spare time from teaching duties. Permanent arrangement or project basis. Mass. or Conn. Box 296, SCIENCE. 10/10, 10/17

Position Wanted: (a) Chemist; Ph.D. (Analytical Chemistry; Physical Chemistry) seven years teaching experience (general and physical chemistry); four years research associate, university department of chemistry. For further information, please write Science Division, Medical Bureau, (Burneice Larson, Director) Palmolive Building, Chicago.

Pharmacologist—Ph.D. 3 years’ industrial experience. Desires position in new product development, or administration. Available after January, 1951. Box 300, SCIENCE.

POSITONS OPEN

Positions Open: (a) Chief Psychologist; one of country's largest psychiatric hospitals; doctorate, three years' experience in clinical psychology required; $7500. (b) Associate Professors, divisions of Biochemistry, Physiology, Pharmacology; medical school now being established in foreign country; new building, excellent facilities, wide variety research; faculty, principally Europeans; students, non-Europeans. (c) Assistant Medical Editor; professional publication, national coverage. (d) Organic Chemist and, also Production Control Supervisor; East. (e) Physics Instructor; college operated under American auspices in Near East. (f) Biochemist; preferably Ph.D. to direct department of chemistry; large general hospital; vicinity New York City. (g) Pediatrician or Ph.D. research projects involving nutrition, cerebral palsy; $5000-$7500. S10-3 Science Division, Medical Bureau (Burneice Larson, Director) Palmolive Building, Chicago.

SCIENTISTS—salaried positions, $3,600 to $25,000. This confidential service for outstanding men who desire a change of connection, will develop and conduct preliminary negotiations without risk to present position. Send name and address for details. GET YOUR ADVANCE COPY
of the General Program-Directory
of the St. Louis Meeting of the AAAS
By first class mail – early in December

The General Program-Directory of the 119th Meeting of the AAAS in St. Louis, December 26–31, 1952, will be available to anyone, at cost, within the first week in December—whether he can attend the Meeting or not. This year the General Program will be much simplified in format and the Directory content increased. You will want it for your reference shelf.

Program content
2. Programs of the 18 AAAS sections and subsections (symposia and contributed papers).
3. Programs of the more than 30 participating societies.
4. The Special Sessions: AAAS, Academy Conference, Conference on Scientific Manpower II, National Geographic Society, Phi Beta Kappa, RESA, Sigma Xi.
5. Details of the Kiel Auditorium, downtown hotels, Washington University.
6. Titles of the latest scientific films to be shown in the AAAS Science Theatre.
7. Exhibitors in the 1952 Annual Exposition of Science and Industry and descriptions of their exhibits.

Directory content
1. AAAS officers and staff for 1952.
2. Complete roll of AAAS presidents and their fields.
3. The 236 affiliated organizations.
6. AAAS Awards and Grants—including all past winners.
7. Membership figures by sections.
8. Section committees (Council members) in detail.
9. Local committees.
10. Future Meetings of the AAAS.

Advance Registration
Advance registration—if you can attend the Meeting—has these advantages: 1) You avoid delay at Registration Desks upon arrival; 2) You receive the General Program-Directory in ample time, unhurriedly, to decide among events you particularly wish to attend; 3) Your name is posted in the Visible Directory as the Meeting opens.

The coupon below may be used both by advance registrants and by those who wish only the advance copy of the General Program-Directory.

--- THIS IS YOUR COUPON FOR AN ADVANCE COPY OF THE GENERAL PROGRAM-DIRECTORY ---

1a. □ Enclosed is $2.50 for my advance Registration Fee which brings me the Program-Directory, Convention Badge, and all privileges of the Meeting.

1b. □ Enclosed is $1.50 for only the Program-Directory. (If you should attend the Meeting, later, Badge and privileges may be secured for $1.00 more.)

2. FULL NAME (Dr., Miss, etc.) .................................................................
   (Please print or typewrite) (Last) (First) (Initial)

3. ACADEMIC, PROFESSIONAL, OR BUSINESS CONNECTION ...................

4. OFFICE OR HOME ADDRESS .................................................................
   (For receipt of Program-Directory)

5. YOUR FIELD OF INTEREST .................................................................

6. CONVENTION ADDRESS .................................................................
   (May be added later, after arrival)

Please mail this Coupon and your check or money order for $2.50 or $1.50 to the
AMERICAN ASSOCIATION FOR THE ADVANCEMENT OF SCIENCE
1515 Massachusetts Avenue, N.W., Washington 5, D. C.
Based on the authors' earlier well-known hygiene texts, this book is entirely new in approach as well as in content. It is a mature text for college use which interweaves community and personal health problems. Without preaching didactic health rules, it presents the most modern facts about the attainment and maintenance of normal, vigorous health and well-being. The book is organized roughly around the systems of the body and begins with a general discussion of infection, resistance and immunity. The last eight chapters deal with after-college health problems of the individual and community. Up-to-date discussions of topics such as old age, narcotics and alcoholism and preventative community hygiene are included.

$4.75

A thorough revision of the present edition of Community Hygiene, rather than a completely new text, this new book aims at a slightly higher level course. It discusses what is needed in the way of money, manpower, planning, and equipment to maintain personal health and a sanitary community. Treating briefly the development of community hygiene, the text points out methods of controlling health hazards in the environment, describes methods of attacking specific diseases, discusses ways of meeting the needs of special population groups, and explains how the various agencies work together to improve community health. Ready in November.

Science Teachers Report

A GREAT TIME SAVER IN TEACHING

THE AO SPENCER SCHOLAR'S MICROSCOPE

HOW THE AO No. 78 SCHOLAR'S MICROSCOPE CUTS TEACHING TIME

1. Easy to learn to use.
2. Single focusing control—fast and precise.
3. Factory-focused built-in light source eliminates time consuming and frequently faulty substage adjustments.
4. Reversed arm position gives clearer view of specimen stage, objectives, and diaphragm openings.

Since we are currently supplying both military and civilian needs, instrument deliveries cannot always be immediate.

• The reports keep coming in—yes, the AO Scholar's Microscope does save time in teaching students microscopy.

This radically new idea in microscopes has proven a boon to science teachers. The built-in light source assures permanently aligned illumination and consequently better optical performance with much less adjustment. Low overall height increases comfort in operation. Locked-in parts reduce maintenance costs. 'Spring-loaded' focusing mechanism protects slides against damage. See your AO distributor or write Dept. K3.
