Contents

Chicago Radio carbon Dates, IV: W. F. Libby ............................................................ 135
Carbon-13 Variations in Sequoia Rings and the Atmosphere:
Harmon Craig ................................................................. 141
Erwin Brand: 1891–1953: Orr E. Reynolds and
Jesse P. Greenstein .......................................................... 144

News and Notes
Report on the Eighth Pacific Science Congress and Fourth
Far-Eastern Prehistory Congress: Fred Eggan .......................... 145

Technical Papers
Scintillation Counting of Natural Radio carbon: I. The
Counting Method: James R. Arnold ........................................ 155
Preliminary Investigations on the Role of Alfalfa Saponin
in Ruminant Bloat: Ivan L. Lindahl et al. .................................. 157
A Study of the Relationship between Asymmetric Acetyl-
cholinesterase Activities in Rabbit Brain and Three
Behavioral Patterns: M. H. Aprison, P. Nathan, and
H. E. Himwich ................................................................. 158
Rotating Sector Method Applied to Reactions Induced by
Co60 Gamma Rays: R. W. Hummel et al. .................................. 159
Results of Dialyzing Some Fish Poisons: Bruce W. Halstead
and R. J. Ralls ................................................................. 160
Movement of Yolk Cells in the Silkworm (Bombyx mori L.):
Takeo Takami ................................................................. 161

Communications
Unpopular Science: Freeman H. Quimby .................................. 162
Nomenclature of the Amines Derived by Decarboxylation of
Cysteine and Cystine: Z. M. Bacq et al. .................................. 163
The Brocken Spectre of the Desert View Watch Tower
Grand Canyon, Arizona: Donald M. Black .............................. 164

Book Reviews
Symposia of the Society for Experimental Biology, No. VII:
Evolution; Contact Dermatitis ............................................. 165

Information for Contributors to Science ............................. 3A
Meetings & Conferences ..................................................... 8A
