Laboratory Equipment and Tariff Policy ........................................ 623
Stress and Disease: H. Selye ....................................................... 625
Pioneer in International Plant Quarantine Work: A. S. Hoyt ............ 632
Commission on Mental Illness; News Briefs; Association Finances; Scientists in the News; Necrology; Education; Grants, Fellowships, and Awards; In the Laboratories; Miscellaneous ........................................ 633
Notation for Hemoglobin Types and Genes Controlling Their Synthesis: A. C. Allison ...................................................... 640
Natural Redistribution of a Quahog Population: R. L. Dow and D. E. Wallace .......................................................... 641
Reaction Rates of a Muscle Model with Nucleotides: R. E. Ranney ...... 642
North-South Asymmetry of the Pleistocene Ice Sheet: W. E. Tanner ...... 642
Stilbestrol-Contaminated Feed and Reproductive Disturbances in Mice: W. J. Hadlow, E. F. Grimes, G. E. Jay, Jr. ......................... 643
Factors Influencing Curvature in the Avena Test for Plant Hormones: M. J. Kent ................................................................. 644
Influence of Thyroxin and Thyroglobulin on Rice Moth Larva: V. Srinivasan, N. R. Moudgal, P. S. Sarma ........................................ 644
University Chemistry Teachers: J. P. Phillips ................................ 645
Hazards of Biological-Social Analogy: C. Pentler; L. F. Koch; E. Freundlich; P. Siekevitz; R. R. Merliss ........................................ 646
On Brain to Body Ratios and the Evolution of Intelligence: E. W. Count; H. J. Jerison ............................................................ 647
Seasoning for the Calendar: J. J. Case ............................................. 648
Analytical Cytology; Studies of Biosynthesis of Escherichia coli; Mechanisms of Microbial Pathogenicity; Philosophy and Analysis; Linearized Theory of Steady High-Speed Flow; Science and the Human Imagination; The Chemistry of Petroleum Hydrocarbons; New Books ........................................ 649
International Council of Scientific Unions; Meeting Notes; Forthcoming Events ................................................................. 652
Equipment News ............................................................................. 657
