Editorial
Rebutting the Preposterous

Articles
Dons or Crooners?: E. Ashby
Popularization is needed not to bring science to intellectuals but to bring it to the great majority.

The Uintathere and the Cope-Marsh War: W. H. Wheeler
This feud is an interesting but unfortunate part of the history of science in 19th century America.

An Archeological Pilgrimage to Santiago de Compostela: M. B. Rogers
Romanesque European ornament of the 12th century suggests the probability of Indian influences.

Notes on the Reviewing of Learned Books: G. Sarton
Good books, bad books, scholarly books, popular books, all pose problems for the conscientious reviewer.

Modern Science and the Intellectual Tradition: G. Holton
The dissociation of science from the rest of our culture has deep-seated causes and disturbing implications.

Science Reporting—Today and Tomorrow: J. Trow
It's better than you may realize, but improvements are needed—and here's how they're being achieved.

Science in the News
Cuts in Funds for Stanford Accelerator More Apparent than Real; United States Launches Two More Satellites
