SCIENCE is published weekly, except the last week in December, with an extra issue on the fourth Thursday in November, by the American Association for the Advancement of Science, 1515 Massachusetts Ave., NW, Washington, D.C. 20005. Now combined with The Scientific Monthly. Second-class postage paid at Washington, D.C. Copyright © 1974 by the American Association for the Advancement of Science. Member rates on request. Annual subscription $40; foreign postage: Americas $6, overseas: $8, air lift to Europe $20. Single copies $1 (back issues, $2) except Guide to Scientific Instruments which is $4. School year subscription: 9 months $30; 10 months $33.50 Provide 6 weeks notice for change of address, giving new and old address and zip codes. Send a recent address label. Science is indexed in the Reader’s Guide to Periodical Literature.
Secular Variations in the Abundances of Heavy Nuclei in Cosmic Rays:
N. Bhandari and J. T. Padia

Kerogen Recycling in the Ross Sea, Antarctica:
W. M. Sackett, C. W. Poag,
B. J. Eadie

Earthquake Prediction: Absence of a Precursory Change in Seismic
Velocities before a Tremor of Magnitude 3½:
A. McGarr

Reoviruslike Agent in Stools: Association with Infantile Diarrhea
and Development of Serologic Tests:
A. Z. Kapikian et al.

Type 2 Hyperprolinemia: Absence of Δ1-Pyrroline-5-Carboxylic Acid
Dehydrogenase Activity:
D. L. Valle, J. M. Phang, S. I. Goodman

Paradoxical Effects after Microinjection of Morphine in the
Periaqueductal Gray Matter in the Rat:
Y. F. Jacquot and A. Lajtha

Sea Otters: Their Role in Structuring Nearshore Communities:

Puromycin: A Questionable Drug for Studying the Mechanism of
Thyroid Calorigenesis in vivo:
G. E. Bilder and W. D. Denckla

Genetic Recombination in the Dinoflagellate Cryptophyllum cohnii:
R. C. Tuttle and A. R. Loeblich III

Pulmonary Platelet Aggregates Associated with Sudden Death in Man:
H. Pirkle and F. Carstens

Rapid Asymptotic Species Accumulation in Phytophagous Insect
Communities: The Pests of Cacao:
D. R. Strong, Jr.

Rhizoplane Fibrils in Wheat: Demonstration and Derivation:
G. G. Leppard

Fenfluramine: Amphetamine Congener That Fails to Maintain Drug-Taking
Behavior in the Rhesus Monkey:
J. H. Woods and R. E. Tessel

Captive sea otter at Amchitka Island, Alaska. The reestablishment of sea
otter populations in the western Aleutian Islands has produced remarkable
differences in the structure of nearshore communities after near extinction
from overhunting. See page 1058.
