Deficits in Binocular Depth Perception in Cats After Alternating Monocular Deprivation: R. Blake and H. V. B. Hirsch .......................................................... 1114
Technical Comments: Stratigraphic Correlation: G. F. Brockman; Strategic Arms Debate: J. B. Walsh; S. J. Deitchman; K. Tsipis .................................................. 1116

PRODUCTS AND MATERIALS

Differential Cell Counter; Chloride-Carbon Dioxide Analyzer; Antibiotic Susceptibility Testing; Buffer Solutions; Animal Bedding Disposable Cabinet; Electron Microscope; Syringe Shield; Renin Activity Control Plasma; Spectrophotometer; Clinical Chemistry Analyzer; Blood Refrigeration; Rheumatoid Arthritis Diagnosis; Liquid Thyroid Function Test; Free Thyroxine Index; Literature .................................................. 1120

COVER

A rotation about a particular axis of the two lines connecting the alpha-carbon positions in a tripeptide. See page 1047. [D. M. Collins et al., Texas A & M University, College Station]
