STANFORD UNIVERSITY

THE HOPKINS MARINE STATION

Assistant Professor and Associate Professor of Biology

The Hopkins Marine Station is located in Pacific Grove on the coast of Monterey Bay, California. It is a division of the Department of Biological Sciences of Stanford University, with a faculty in residence in Pacific Grove, which is 90 miles south of the main Stanford campus in Palo Alto.

Applications are invited for two junior positions on the Marine Station faculty from persons working in algal and animal physiology, in invertebrate and developmental biology, in the neurosciences and behavior, and population biology and ecology. Selection will be made entirely on the basis of individual excellence. Applications should be submitted to the Marine Station, Third Avenue, Pacific Grove, California 93950. They must arrive not later than 31 December 1976. Earliest starting date is September 1977. Stanford Hopkins University is an Equal Opportunity/Affirmative Action Employer.
