Ecdysis: Neural Orchestration of a Complex Behavioral Performance: J. R. Carlson and D. Bentley 1006

MEETINGS
Gordon Research Conferences: A. M. Cruickshank 1009

PRODUCTS AND MATERIALS
Gas Chromatograph–Mass Spectrometer; Automated Peptide Synthesizer; Separatory Funnel Shaker; Hand Pump System for Membrane Filtration; Fume Hood; Image Display System; Dissolved Oxygen Meter; Literature 1038

COVER
Two species of North American cats. (Top) Restoration of extinct, cheetah-like cat (Felis trumanii), late Pleistocene, North America; (bottom) living mountain lion (Felis concolor), late Pleistocene and recent of North and South America. See page 981. [Drawings by D. Adams]

American Association for the Advancement of Science was founded in and incorporated in 1874. Its objects are to foster the work of scientists, to facilitate cooperation among them, to improve the effectiveness of science in the promotion of human welfare, and to increase public understanding and appreciation of the importance and promise of the arts of science in human progress.
Science 195 (4282), 932-1041.
