TIAA-CREF Supplemental Retirement Annuities

for tax-deferred annuity programs

Supplemental Retirement Annuities (SRA’s) are new forms of TIAA and CREF contracts designed expressly for use by persons who want to set aside tax-deferred retirement funds over and above amounts being accumulated under their institution’s basic retirement plan. They are available for employees of colleges, universities, private schools and certain other nonprofit educational organizations with tax-deferred annuity (salary-or-annuity option) programs. Through a properly drawn agreement with their institution, staff members may divert part of their compensation before taxes to the purchase of these new contracts.

And SRA’s are cashable at any time. This means that if the money accumulated by salary reduction is needed before retirement, the SRA contracts can be surrendered for their cash value. Benefits, whether payable in cash or as income, are taxable as ordinary income when received.

For more information and answers to questions send for your copy of the booklet on Supplemental Retirement Annuities.

People who've been pushing a one-year warranty won't be happy about this ad.

The fine print on many freezer warranties is enough to send cold chills up and down your spine.

Some people, for example, make a big deal out of supposedly long-term warranties in the headlines. But when you get down into the legalese, you find out they're really only guaranteeing the insulation, or something equally absurd.

Well, those people will turn green when they see what we're putting down in black and white.

Because Revco is now offering a full one year warranty, plus an additional four year warranty on sealed system parts and labor, from one of our 200 coast-to-coast service centers.

It's the number one warranty in the entire freezer industry, and it's just what you'd expect from the number one company in the entire scientific freezer industry. Because if we didn't build our freezers to last longer, we couldn't guarantee them to last longer.

And every Revco freezer is listed by Underwriters Laboratories, Inc. - not just the components but the entire freezer.

That's the way we've been doing business for 40 years now, and we expect to keep on doing it the same way.

For further information on our five-year limited no-nonsense warranty and a copy of our new full-color catalog, just call or write us at 1100 Memorial Drive, West Columbia, S.C. 29169. Area Code 803/796-1700. TWX: 810-666-2103. Cable: Revco.
