SCIENCES publishes each Friday, except the last Friday of the year. Advertising closes one week before the issue date. The cut-off date for this Friday is Wednesday, 3½ weeks before. Advertising is accepted on the basis of space only. Personnel advertising is accepted only with the understanding that the advertiser does not discriminate among applicants on the basis of race, sex, religion, culture, national origin, or handicap.

POSITIONS WANTED

DISPLAY POSITIONS OPEN
ASSISTANT, ASSOCIATE, OR FULL PROFESSOR--THE UNIVERSITY OF CALIFORNIA. Applications are invited for a position as an assistant professor commencing September 1979. Duties will include teaching in both undergraduate and graduate educational programs. Successful applicant must be an active researcher. Salary and rank according to qualifications. Nominations and/or applications will be received by: Dr. S. H. Roth, Acting Head Division of Pharmacology and Therapeutics Faculty of Medicine The University of Calgary Calgary, Alberta, Canada T2N 1N4

SUPPLY ASSISTANT PROFESSOR OF BIOCHEMISTRY
ASSISTANT PROFESSOR, DEPARTMENT OF BIOCHEMISTRY, COLLEGE OF MEDICINE. Applicants must have Ph.D. degree and postdoctoral training in molecular or cellular immunity, or bio-chemical genetics. Preference will be given to individuals whose research deals with immunologically important systems at the molecular level, especially structure, function, or control of lymphocyte genes, lymphocyte nonhistone chromosomal proteins, lymphocyte cell surface receptors or antigens, or structure-function properties of lymphocyte membranes. Applicants must be well trained in biochemistry and be able to teach medical and graduate students. Send curriculum vitae, summary of present and future research, and three letters of recommendation to
Dr. F. P. Iman, Chairman, East Tennessee State University, P.O. Box 7294A, Johnson City, Tenn. 37601. East Tennessee State University is an Affirmative Action Equal Opportunity Employer, M/F.

ASSISTANT PROFESSOR--BIOCHEMISTRY
Applications are invited for a tenure-track position beginning in fall 1979. Teaching responsibilities will include courses in biochemistry and cell physiology. Candidates will be expected to develop an active research program. Closing date for application is 27 April 1979. Send curriculum vitae, reprints, and three letters of reference to
Gerald W. Eych, Chairman Wake Forest University Winston-Salem, N.C. 27109

ASSISTANT PROFESSOR OF BIOCHEMISTRY
A 12-month, tenure-track position is anticipated to be available 1 July, depending on funding, for someone in the general area of plant biochemistry. Responsibilities will include participation in the undergraduate and graduate teaching program. The individual is expected to develop a vigorous, independent research program in molecular systematics. A Ph.D. in biochemistry is required. Please send resume, graduate transcripts, summary of research interests, and names of three references to: R. P. Wilson, Head, Department of Biochemistry, P.O. Box BB, Mississippi State University, Mississippi State, Miss. 39762. An Affirmative Action Employer.
