PERSONNEL PLACEMENT

The Division of Reproductive Biology of the Department of Obstetrics and Gynecology, University of Pennsylvania School of Medicine, has an open position at the ASSISTANT PROFESSORSHIP level in CELL BIOLOGY/REPRODUCTIVE BIOLOGY with interest in reproductive biology, preferably with emphasis on fertilization. Qualified applicants must have completed a curriculum including at least 4 years of accomplishments, research interests, and names and addresses of three references to: Luigi Mastroianni, M.D., Chairman, Department of Obstetrics and Gynecology, Hospital of the University of Pennsylvania, 3400 Spruce Street, Philadelphia, Pa. 19104. Applications from women and minorities are especially welcome. An Equal Opportunity Employer.

TWO ASSISTANT PROFESSORS
Section of Neuroanatomy
Yale University School of Medicine

NEUROPHYSIOLOGIST interested in CNS development, plasticity, or higher cortical function in primates. NEUROANATOMIST interested in ultrastructural, histochemical and immunocytochemical analyses of developing brain. Both positions involve some teaching of medical and graduate students. Submit résumé and names of references before 1 June to: Dr. Pasko Rakic, Chairman, Section of Neuroanatomy, Yale University School of Medicine, 333 Cedar Street, New Haven, Conn. 06510. Yale University is an Equal Opportunity/Affirmative Action Employer.

ASSISTANT PROFESSOR OF PHARMACOLOGY

Applications are invited for a tenure-track faculty position in a research program on molecular and cellular pharmacology. Minimal qualifications include a Ph.D. or M.D. degree with strong postdoctoral experience. Qualification must be demonstrated in research and teaching. Candidate should participate in current research program and participating in the teaching of medical, dental, and graduate students. Salary is negotiable. Candidate should send curriculum vitae to: Dr. Edward Brown, Department of Pharmacology, University of Illinois at Chicago Medical Center, 833 S. Wabash, Chicago, Ill. 60612. An Equal Opportunity Employer.

DEPARTMENT OF BIOMEDICAL SCIENCES SECTION OF ANATOMY

Southern Illinois University (SIU), School of Dental Medicine, invites applications for a full-time faculty position in the Department of Biomedical Sciences, Section of Anatomy. Salary and rank will be commensurate with training and experience. Ph.D. or M.D. degree in human anatomy, with demonstrated research ability, is required. The individual filling this position will: assume total responsibility for teaching human anatomy to dental students with particular emphasis on oral-facial development; participate, as appropriate, in histology, and the laboratory program. Candidates are expected to be anatomists and actively pursue research of their own choice. Applications will be received until 15 June 1981. SIU School of Dental Medicine is an Equal Opportunity/Affirmative Action Employer and encourages applications from women and minorities.

The Department of Pathology, New York State College of Veterinary Medicine, has a position available for a CLINICAL PATHOLOGIST. The successful candidate will be expected to establish the Clinical Pathology Service of the Veterinary Medical Teaching Hospital, assist with the professional student teaching program in clinical pathology, and develop an independent research program in this field under her/his direction. Certification in clinical pathology is desired. Academic rank and salary will be commensurate with experience and qualifications. Applicants should send curriculum vitae, three letters of reference, and a statement of long-term career goals to: Dr. Robert M. Lewis, Chairman, Department of Pathology, New York State College of Veterinary Medicine, Cornell University, Ithaca, New York 14853. Cornell University is an Equal Opportunity/Affirmative Action Employer.
