The Social Transformation of American Medicine, reviewed by R. L. Numbers; Fire in America, M. Sherwood; JPL and the American Space Program, A. Needell; Models of Biological Pattern Formation, L. G. Harrison; Ecology of Desert Organisms, E. R. Pianka; Books Received

**COVER**

"Burning the midnight oil" at the Old Executive Office Building, Washington, D.C., late December 1982. Officials of the Office of Management and Budget work nights and weekends preparing the President's fiscal budget for presentation to Congress in January. R & D in the budget will be discussed at the Eighth Annual AAAS Colloquium on R & D Policy, 24–25 March 1983, Washington, D.C. See page 834. [Al Teich, Office of Public Sector Programs, AAAS]
