COVER

"Burning the midnight oil" at the Old Executive Office Building, Washington, D.C., late December 1982. Officials of the Office of Management and Budget work nights and weekends prepping the President's fiscal budget for presentation to Congress in January. R & D in the budget will be discussed at the Eighth Annual AAAS Colloquium on R & D Policy, 24–25 March 1983, Washington, D.C. See page 834. [Al Telich, Office of Public Sector Programs, AAAS]
