SCIENCE is published weekly on Friday, except the last week in December, by the American Association for the Advancement of Science, 1515 Massachusetts Avenue, NW, Washington, DC 20005. Second-class postage (publication No. 48445) paid at Washington, DC, and at an additional entry. Now combined with The Scientific Monthly®. Copyright © 1995 by The American Association for the Advancement of Science. Domestic individual membership and subscription (51 issues): $50. Domestic institutional subscription (51 issues): $90. Foreign postage extra: Canada $24, other (surface mail) $27, air-surface via Amsterdam $65. First class, airmail, school-year, and student rates on request. Single copies $2.50 ($3 by mail); back issues $3 ($3.50 by mail); Biotechnology issues, $5 ($5.50 by mail); classroom rates on request. Change of address: allow 8 weeks, giving old and new addresses and seven-digit account number. Authorization to photocopy material for internal or personal use under circumstances not falling within the fair use provisions of the Copyright Act is granted by AAAS to libraries and other users registered with the Copyright Clearance Center (CPC) Transactional Reporting Service, provided that the base fee of $1 per copy plus $0.10 per page is paid directly to CCC, 21 Congress Street, Salem, Massachusetts 01970. The identification code for Science is 0036-8075/95 $1.00. Postmaster: Send Form 3579 to Science, 1515 Massachusetts Avenue, NW, Washington, DC 20005. Science is indexed in the Reader's Guide to Periodical Literature and in several specialized indexes.
Icebergs, such as this dry dock in the Labrador Sea, present special concerns to marine shipping and hydrocarbon exploration along Canada's east coast. This photograph illustrates several phenomena: a smooth surface characteristic of previous underwater exposure, recent spalling of the front face, undercutting or notching by waves at the waterline, and the presence of underwater rams (seen on the right and inferred on the left). See page 1333. [Petro-Canada Resources, Calgary, Alberta T2P 3E3, Canada]
