Toward a Science of Metabolic Engineering: J. E. Bailey

SCIENCE is published weekly on Friday, except the last week in December, by the American Association for the Advancement of Science, 1333 H Street, NW, Washington, DC 20005. Second-class postage (publication No. 48446) paid at Washington, DC, and additional mailing offices. Copyright © 1991 by the American Association for the Advancement of Science. The title SCIENCE is a registered trademark of the AAAS. Domestic individual membership and subscription (51 issues): $82 ($50 solicited to subscription). Domestic institutional subscription (51 issues): $150. Foreign postage extra: Canada $46, other ($100) $64, airmail $90. First-class, airmail, student, and student rates on request. Change of address: allow 8 weeks, giving old and new addresses and 11-digit account number. Postmaster: Send change of address to Science, P.O. Box 2003, Marion, OH 43305-2003. Single copy sales: $6.00 per issue. This edition includes 11-digit account number. Includes a copy of the Advance Online Relase. The Business offices are located at the AAAS headquarters at 1333 H Street, NW, Washington, DC 20005. The identification code for Science is 0036-8075/39 $1 + .00. Science is indexed in the Reader's Guide to Periodical Literature and in several specialized indexes.

The American Association for the Advancement of Science was founded in 1848 and incorporated in 1874. Its objects are to further the work of scientists, to facilitate cooperation among them, to foster scientific freedom and responsibility, to improve the effectiveness of science in the promotion of human welfare, to advance education in science, and to increase public understanding and appreciation of the importance and promise of the methods of science in human progress.
