* SCIENCE (ISSN 0036-8075) is published weekly on Friday, except the last week in December,
by the American Association for the Advancement of Science, 1333 H Street, NW, Washington,
DC 20005. Second-class postage (publication No. 484640) paid at Washington, DC, and
additional mailing offices. Copyright © 1991 by the American Association for the Advancement of
Science. The title SCIENCE is a registered trademark of the AAAS. Domestic individual membership
and subscription (51 issues): $82 (50% allocated to subscription). Domestic institutional subscription
(51 issues): $150. Foreign postage extra: Canada $46, other (surface mail) $46, air freight $90. First
class, airmail, school-year, and student rates on request. Canadian GST Number: 125488122. Change
of address: allow 6 weeks, giving old and new addresses and 11-digit account number. Postmaster:
Send change of address to Science, P.O. Box 1729, Riverton, NJ 08077. Single copy sales: $6.00

Numbers indicate pages; see print index for complete lists of contents.

The scientific results obtained during this encounter with Jupiter are presented in a series of
reports beginning on page 1503; see also the Perspective on page 1487 and the News story on page
1478. [Illustration: Jet Propulsion Laboratory]
Science 257 (5076), 1457-1574.
