Gender and the Culture of Science 383

WOMEN IN SCIENCE '93: GENDER AND THE CULTURE OF SCIENCE 383

Is There a 'Female Style' in Science? The Male Box: Male Researchers Respond Feminists Find Gender Everywhere in Science Women Struggle to Crack the Code of Corporate Culture Work and Family: Still a Two-Way Stretch Entrepreneurs Say: 'It's Better to Be the Boss' The Pipeline Is Leaking Women All the Way Along Making Room for Women in the Culture of Science Called 'Trimates,' Three Bold Women Shaped Their Field Seeing Nature Through the Lens of Gender

* SCIENCE (ISSN 0036-8075) is published weekly on Friday, except the last week in December, by the American Association for the Advancement of Science, 1333 H Street, NW, Washington, DC 20005. Second-class postage (publication No. 494460) paid at Washington, DC, and additional mailing offices. Copyright © 1993 by the American Association for the Advancement of Science. The title SCIENCE is a registered trademark of the AAAS. Domestic individual membership and subscription (51 issues): $67 (847 allocated to subscription). Domestic institutional subscription (51 issues): $285. Foreign postage extra: Mexico, Caribbean (surface mail): $50; other countries (air assist delivery): $95. First class, airmail, student and emeritus rates on request. Canadian rates with GST available upon request, GST #125498125. Change of address: allow 6 weeks, giving old and new addresses and 11-digit account number. Postmaster: Send change of address to Science, P.O. Box 2023, Marion, OH 43305-2023. Single copy sales: $6.00 per issue prepaid includes surface postage; Guide to Biotechnology Products and Instruments, $20. Bulk rates on request. Authorization to photocopy material for internal or personal use under circumstances not falling within the fair use provisions of the Copyright Act is granted by AAAS to libraries and other users registered with the Copyright Clearance Center (CCC) Transactional Reporting Service, provided that the base fee of $1 per copy plus $.10 per page is paid directly to CCC, 27 Congress Street, Salem, MA 01970. The identification code for Science is 0036-8075/83 $1 + .10. Science is indexed in the Reader's Guide to Periodical Literature and in several specialized indexes. The American Association for the Advancement of Science was founded in 1848 and incorporated in 1874. Its objectives are to further the work of scientists, to facilitate cooperation among them, to foster scientific freedom and responsibility, to improve the effectiveness of science in the promotion of human welfare, to advance education in science, and to increase public understanding and appreciation of the importance and promise of the methods of science in human progress.
