SCIENCE (ISSN 0036-8075) is published weekly on Friday, except the last week in December, by the American Association for the Advancement of Science, 1533 H Street, NW, Washington, DC 20005. Second-class postage (publication No. 484460) paid at Washington, DC, and additional mailing offices. Copyright © 1996 by the American Association for the Advancement of Science. Title SCIENCE is a registered trademark of the AAAS. Domestic individual membership and subscription (51 issues): $102 ($55 allotted to subscription). Domestic institutional subscription (51 issues): $225. For foreign postage extra: Mexico, Caribbean (surface mail) $55; other countries (air mail delivery) $90. First class, airmail, student, and emeritus rates on request. Canadian rates with GST available upon request, GST #125481122. Printed in the U.S.A.

Change of address: allow 4 weeks, giving old and new addresses and 8-digit account number. Postmaster: Send change of address to Science, P.O. Box 1811, Danbury, CT 06813-1811. Single copy sales: $7.00 per issue prepaid includes surface postage; bulk rates on request. Authorization to photocopy material for internal or personal use under circumstances not falling within the fair use provisions of the Copyright Act is granted by AAAS to libraries and other users registered with the Copyright Clearance Center (CCC) Transactional Reporting Service, provided that $4.00 per article is paid directly to CCC, 222 Rosewood Drive, Danvers, MA 01923. The identification code for Science is 0036-8075/96 $4.00. Science is indexed in the Reader's Guide to Periodical Literature and in several specialized indexes.

Cover
The Gordon Research Conferences have been holding meetings in Europe since 1990. These meetings attract an international selection of scientists for discussions at the frontiers of fundamental science and technology in the biological, chemical, and physical sciences. In the fall of 1996, Gordon Conferences will convene at Queens College, Oxford (cover); Pruhonice in the Czech Republic; and two sites in Japan. See page 826 for scheduling information.
