© SCIENCE (ISSN 0036-8075) is published weekly on Friday, except the last week in December, by the American Association for the Advancement of Science, 1200 New York Avenue, NW, Washington, DC 20005. Periodicals Mail postage (publication No. 484460) paid at Washington, DC, and additional mailing offices. Copyright © 1996 by the American Association for the Advancement of Science. The title SCIENCE is a registered trademark of the AAAS. Domestic individual membership and subscription (51 issues): $102 ($55 allocated to subscription). Domestic institutional subscription (51 issues): $250. Foreign postage extra: Mexico, Caribbean (surface mail) $55; other countries (air assist delivery) $90. First class, airmail, student, and emeritus rates on request. Canadian rates with GST available upon request, GST #125488125. Printed in the U.S.A.
Some of the many uses of computers in science today include archival display of rare folios, animation of cellular processes, on-line tutorials, and simulation of macromolecular matings. These sites may be reached via the cover caption located at the bottom of the Table of Contents page at Science On-Line (http://www.sciencemag.org/). Our special section begins on page 585.
