Science (ISSN 0036-8075) is published weekly on Friday, except the last week in December, by the American Association for the Advancement of Science, 1200 New York Avenue, NW, Washington, DC 20005. Periodicals Mail postage (publication No. 484460) paid at Washington, DC, and additional mailing offices. Copyright © 1996 by the American Association for the Advancement of Science. The title SCIENCE is a registered trademark of the AAAS. Domestic individual membership and subscription (51 issues): $102 ($55 allocated to subscription). Domestic institutional subscription (51 issues): $250. Foreign postage extra: Mexico, Caribbean (surface mail) $55; other countries (air assist delivery) $90. First class, airmail, student, and emeritus rates on request. Canadian rates with GST available upon request, GST #1254 88122. Printed in the U.S.A.
"Engaging Science—Sustaining Society" is the theme for the 1997 American Association for the Advancement of Science Annual Meeting and Science Innovation Exposition in Seattle, Washington, from 13 to 18 February. Researchers from diverse disciplines will discuss new knowledge and what is to come, not only scientifically but with regard to the relation of science and society. See page 807 for a complete program with registration and hotel forms. [Exterior images: Seattle-King County Convention and Visitors Bureau. Interior image: AAAS]

Chronology for Fluctuations in Late Pleistocene Sierra Nevada Glaciers and Lakes
