Science makes every effort to screen its ads for offensive and/or discriminatory language in accordance with US and non-US law. Since we are an international journal, you may see ads from non-US countries that request applications from specific demographic groups. Since US law does not apply to other countries we try to accommodate recruiting practices of other countries. However, we encourage our readers to alert us to any ads that they feel are discriminatory or offensive.

POSITIONS OPEN

The UNIVERSITY of CHICAGO

The University of Chicago/Department of Radiation and Cellular Oncology and the Ludwig Center for Metastasis Research is seeking applicants for full-time **RESEARCH ASSOCIATE (ASSISTANT PROFESSOR-PROFESSOR, all ranks)**. The primary activity of a Research Associate is research in association with a faculty member or team. Candidates are required to possess a Doctorate degree and prior research experience in the field of molecular and cellular biology and or models of metastasis.

Interested candidates should submit curriculum vitae, bibliography, a statement of research, and contact information for three professional references to: **Dr. Weichselbaum in c/o Janet Riley, Department of Radiation and Cellular Oncology, 5758 S. Maryland Avenue, MC 9006, Chicago, IL 60637** or via e-mail: jriley@radonc.uchicago.edu.

The University of Chicago is an Affirmative Action/Equal Opportunity Employer.

The Department of Mechanical Engineering at the University of Minnesota, Twin Cities invites nominations and applications for six full-time **TENURE-TRACK or TENURED POSITIONS** in the broad areas of nanotechnology, medical devices, energy, and fluid power. Complete job description and application instructions can be found at **website: <http://www.mc.umn.edu/>**. *The University of Minnesota is an Equal Opportunity Educator and Employer.*

FOCUS ON ASIA

Institute of Biochemistry and Cell Biology (IBCB), Shanghai Institutes for Biological Sciences (SIBS), Chinese Academy of Sciences (CAS) is now seeking two to three highly motivated individuals to take positions as **CHIEF SCIENTISTS** in the newly formed Shanghai Key Laboratory of Molecular Andrology. Candidates should have a Ph.D. or an equivalent degree, and should be able to establish world-class research in the areas of male reproduction and prostate diseases. We are particularly interested in applicants who have research experience in epididymal function, sperm-egg fusion, phenotype analysis of knockout mouse, and microRNA. The positions come with excellent laboratory space and substantial startup funds. Competitive salary, housing subsidy, and fringe benefit package will be commensurate with experience. Applicants should send curriculum vitae with a complete list of publications, a concise summary of past research accomplishments and future research plans, and three letters of references to: **Mr. Banghe Mao, Faculty Search Committee, Institute of Biochemistry and Cell Biology, Shanghai Institutes for Biological Sciences, Chinese Academy of Sciences, 320 Yue-Yang Road, Shanghai 200031, China** or electronically to e-mail: bhmao@sibs.ac.cn (telephone: 086-21-54921006; fax: 086-21-54921011). Applications will be accepted until positions are filled. Interviews may be conducted at any time upon arrangement. *IBCB is an Equal Opportunity Employer.*

NATIONAL UNIVERSITY of SINGAPORE Department of Chemical and Biomolecular Engineering

The Department of Chemical and Biomolecular Engineering at National University of Singapore invites applications for tenure-track **FACULTY** positions at all levels. The Department is one of the largest internationally with excellent in-house infrastructure for experimental and computational research. A Ph.D. in chemical engineering or related areas and a strong research record with excellent publications are required. Please refer to **website: <http://www.chbe.nus.edu.sg/>** for more information on the areas of interest and for application details. Applicants should send full curriculum vitae (including key publications), a detailed research plan, a statement of teaching interest, and a list of names of at least three references to: **Professor Raj Rajagopalan, Head of Department (attention: Ms. Nancy Chia, e-mail: nancychia@nus.edu.sg)**.

POSITIONS OPEN

FULL PROFESSOR FACULTY POSITION Department of Neuroscience University of Minnesota

The Department of Neuroscience at the University of Minnesota is seeking to hire a Full Professor working in the area of motivated behavior, with particular emphasis on the relationship between sexual behavior and dopamine neurotransmission. This position is to complement the current strengths of the Departmental Faculty and their research programs in Neuroendocrinology, Drug Addiction, and Basal Ganglia Function. Candidates are required to have an externally funded research program with an established publication record in peer-reviewed journals. Individuals utilizing cellular and molecular biology techniques, including viral technology, voltometry, intracellular second messenger assays and gene-chip techniques to complement their behavioral studies are strongly encouraged to apply. Applicants should also have an excellent history of providing teaching and service to their home Department and the national Neuroscience community.

The individual will receive laboratory space, salary support, and startup funds commensurate to experience. The starting date is negotiable, with the appointment available as soon as July 1, 2008.

Review of applications will commence on April 14, 2008. Applicants should send curriculum vitae, statement of research interests, and three letters of reference to: **Faculty Search Committee, Attn: Linda King, Department of Neuroscience, 6-145 Jackson Hall, 321 Church Street S.E., Minneapolis, MN 55455. E-mail: kingx040@umn.edu**. Electronic versions of the required information may be e-mailed but must be followed with a hard copy for the official search files.

The University of Minnesota is an Equal Opportunity Educator and Employer.

One full-time **ASSISTANT PROFESSOR** (tenure-track in clinical pathology) or Assistant Professor of Clinical (Diagnostic) Clinical Pathology (nontenure track), School of Veterinary Medicine, University of California, Davis. Title, salary, and terms of appointment will depend on qualifications and experience.

Qualifications. **VETERINARIAN** or equivalent with advanced training in clinical pathology. Board certification or eligibility in the American College of Veterinary Pathologists or the European College of Veterinary Clinical Pathology is required. Clinical experience and competence in clinical pathology. Demonstrated aptitude/experience in teaching, particularly clinical instruction. Must have excellent interpersonal and communication skills and a demonstrated ability to work with others in a collegial team atmosphere.

Assistant Professor. Ph.D. or equivalent postdoctoral research training required at appointment. Ph.D. preferred. Documented research record or potential to develop an independent research program using contemporary technologies for the characterization of animal diseases or animal models of human diseases.

Professor of Clinical (Diagnostic) Clinical Pathology. Training and experience in clinical research required. Documented record of creative scholarship or potential to develop a clinical research program in clinical pathology required.

To receive fullest consideration, applications must be received by April 30, 2008; position opened until filled. Expanded position description at **website: <http://www.vetmed.ucdavis.edu/pmi/PMIpage1.htm>**. Submit letter of intent outlining special interest in the position, overall qualifications, experience, and career goals; curriculum vitae; and names, addresses, and e-mail addresses of three professional references to: **Dennis W. Wilson, Chairman, Department of Pathology, Microbiology and Immunology, School of Veterinary Medicine, University of California, Davis, CA 95616. Attn: Donna Roggenkamp. Affirmative Action/Equal Opportunity Employer.**
