POSITIONS OPEN

ASSISTANT PROFESSOR Molecular Biology

The Department of Molecular Biology at the University of Wyoming seeks an outstanding scientist for a tenure-track position at the Assistant Professor level. The successful candidate will be expected to establish an extramurally funded research program, participate in undergraduate teaching in the core molecular biology curriculum, and contribute to the Graduate Program in Molecular and Cellular Life Sciences ([website: http://www.uwyo.edu/mcls/](http://www.uwyo.edu/mcls/)). Salary and startup package will be competitive. Candidates must have a Ph.D. degree or equivalent, post-doctoral research experience, and clear evidence of research productivity. Applications should be sent via e-mail: molecularbiology@uwyo.edu as a single PDF file (labeled with your last name) that includes a cover letter, curriculum vitae, research interests, and teaching interests and philosophy. In addition, three letters of recommendation should be sent to e-mail: molecularbiology@uwyo.edu or by regular mail to: **Search Committee Chair, Department of Molecular Biology, University of Wyoming, 1000 E. University Avenue, Department 3944, Laramie, WY 82071.** The Department of Molecular Biology consists of 15 faculty with diverse research interests and significant extramural support ([website: http://uwacadweb.uwyo.edu/UWmolecbio/](http://uwacadweb.uwyo.edu/UWmolecbio/)). The University of Wyoming enrolls about 12,000 students, including about 2,500 graduate students. Laramie is located in the Rocky Mountain region of southeastern Wyoming, about 120 miles from Denver. In addition to opportunities for academic excellence, the University of Wyoming offers a college-town environment, extraordinary outdoor recreation, and daily conveniences that contribute to our quality of life. Screening of applications will begin on October 15, 2008, and continue until a suitable candidate is identified.

The University of Wyoming is an Equal Opportunity/Affirmative Action Employer.

FACULTY POSITION IN IMMUNOLOGY Department of Microbiology-Immunology and Interdepartmental Immunobiology Center Northwestern University Feinberg School of Medicine

A tenure-track position is open for a full-time faculty researcher (Ph.D., M.D./Ph.D. or M.D.) in the areas of innate immunity, immune development, immune regulation, or immunobiology of autoimmune or infectious diseases. Rank is open, and salary is negotiable. All applicants should have substantial peer-reviewed publications that demonstrate research productivity and the ability to perform cutting-edge research. Candidates for an **ASSISTANT PROFESSOR** position should have postdoctoral research experience. Persons seeking appointment as **ASSOCIATE** or **FULL PROFESSOR** should have substantial, long-term research productivity, and a history of grant support and academic service. Candidates should also have an interest in teaching graduate and medical students. Starting date is negotiable after April 1, 2009. Application materials will be reviewed as received, but to receive full consideration, should be received by November 30, 2008. Please send complete curriculum vitae, a research statement, and the name and contact information of at least three references to e-mail: immunology@northwestern.edu.

Northwestern University is an Affirmative Action, Equal Opportunity Employer. Women and minorities are encouraged to apply. Hiring is contingent upon eligibility to work in the United States.

CAREER OPPORTUNITY

This unique program offers the candidate with an earned Doctorate in the life sciences the opportunity to obtain the Doctor of Optometry (OD) degree in 27 months (beginning in March of each year). Employment opportunities exist in research, education, industry, and private practice. Contact the **Admissions Office**, telephone: 800-824-5526 at the **New England College of Optometry, 424 Beacon Street, Boston, MA 02115.** Additional information at [website: http://www.neco.edu](http://www.neco.edu), e-mail: admissions@neco.edu.

POSITIONS OPEN

PARSONS

EXECUTIVE DIRECTOR Institute for Advanced Energy Solutions

The National Energy Technology Laboratory (NETL) has partnered with three major regional universities (Carnegie Mellon University, the University of Pittsburgh, and West Virginia University) to establish the Institute for Advanced Energy Solutions (IAES). NETL's objective is to position the IAES as a prestigious and nationally recognized research organization that will address critical energy technology needs for the nation. Parsons, one of the managing site contractors, on behalf of NETL and the three universities, is seeking candidates for the position of Executive Director, IAES, which will be based in Pittsburgh, Pennsylvania. We are currently in search of candidates possessing the following qualifications: (1) Ph.D. in engineering or science, (2) successful record of scholarly research in fields relevant to energy technology, (3) experience in managing a technical or research organization, and (4) background in leading and growing a large research organization.

To view the full job description, please visit us at [website: http://www.parsonsjobs.com](http://www.parsonsjobs.com), searching for identification #11344. For confidential consideration, please send your resume to e-mail: lisa.kearney@parsons.com. *Equal Opportunity Employer/Minorities/Females/Persons with Disabilities/Veterans.*

FACULTY POSITION IN MICROBIAL PATHOGENESIS Department of Microbiology-Immunology Northwestern University Feinberg School of Medicine

A tenure-track position is open for a full-time faculty researcher (Ph.D., M.D./Ph.D. or M.D.) in the areas of microbial pathogenesis (bacteria, parasites, and fungi), biodefense, immunobiology of microbial infections, normal microbial flora, or general microbiology. Rank is open, and salary is negotiable. All applicants should have substantial peer-reviewed publications that demonstrate research productivity and the ability to perform cutting-edge research. Candidates for an **ASSISTANT PROFESSOR** position should have postdoctoral research experience. Persons seeking appointment as **ASSOCIATE** or **FULL PROFESSOR** should have long-term research productivity and a history of grant support and academic service. Candidates should have an interest in teaching graduate and medical students. Starting date is negotiable after April 1, 2009. Application materials will be reviewed as received but, to receive full consideration, should be received by November 30, 2008. Please send complete curriculum vitae, statement of research interests, and the name and contact information of at least three references to e-mail: nwumicrosearch@gmail.com.

Northwestern University is an Affirmative Action, Equal Opportunity Employer. Women and minorities are encouraged to apply. Hiring is contingent upon eligibility to work in the United States.
