

INTERNATIONAL SCIENCE & ENGINEERING VISUALIZATION CHALLENGE

COMPETITION DEADLINE APPROACHING

ENTRY DEADLINE: SEPTEMBER 15, 2009

SCIENCE AND ENGINEERING'S MOST POWERFUL STATEMENTS
ARE NOT MADE FROM WORDS ALONE

When the left brain collaborates with the right brain, science emerges with art to enhance communication and understanding of research results—illustrating concepts, depicting phenomena and drawing conclusions.

The National Science Foundation (NSF) and the journal *Science*, published by the American Association for the Advancement of Science, invite you to participate in the seventh annual International Science & Engineering Visualization Challenge. The competition recognizes scientists, engineers, visualization specialists and artists for producing or commissioning innovative work in visual communication.

Winners in each category will be published in the February 19, 2010 issue of *Science* and *Science Online*, and will be displayed on the NSF Web site.

Award Categories

- Photographs/Pictures
- Illustrations/Drawings
- Informational/Explanatory Graphics
- Interactive Media
- Non-Interactive Media
