SCHOOL OF MEDICINE
CASE WESTERN RESERVE
UNIVERSITY

VIROLOGY, CANCER VIROLOGY ASSISTANT/ASSOCIATE/ FULL PROFESSOR POSITIONS Department of Molecular Biology and Microbiology

The Department of Molecular Biology and Microbiology at CWRU School of Medicine is continuing its expansion under our Chair, Dr. Jonathan Karn. We are currently seeking applications for **Assistant/Associate/Full Professor** level positions. We encourage applications from highly qualified individuals with demonstrated experience in the areas of:

- **Molecular Virology.** Fundamental aspects of Virology (e.g. molecular mechanisms in viral replication; virus assembly and maturation; control of latency; host cell interactions; virus entry mechanisms; viral diversity and immune evasion).
- **Cancer Virology.** Basic virology leading to a fundamental understanding of the molecular basis for tumorigenesis. This includes interests in the discovery of new human pathogens, viral etiology of cancer, viral models for cancer.

Successful candidates will establish a vigorous research program, participate in teaching activities, and interact productively with a nationally-ranked team of basic and clinical scientists interested in the overall areas of HIV/AIDS and host-pathogen interactions, microbiology and infectious diseases.

We stress excellence in research and in teaching. Candidates at the Full Professor level should have a Ph.D., an outstanding record of scholarly achievement and record of leadership and service at the national or international level in the profession, and a record of sustained Federal funding. Candidates at the Associate Professor level should have a Ph.D., a substantial publication record and an established reputation for professional excellence, and a record of sustained Federal funding. Candidates at the Assistant Professor level should have a Ph.D., and have completed at least 3 years of postdoctoral training, have demonstrated a capacity for independent research and an ability to attract Federal funding.

In addition to newly refurbished laboratory space and a generous start-up package, we offer a highly interactive environment with exceptional intellectual, infrastructural, and administrative support. All candidates should have a Ph.D. and relevant post-doctoral experience, a record of funding, an active research program and a national reputation. Rank and salary will be commensurate with experience.

Please submit an online application including a letter of application, curriculum vitae, brief statement of research goals and accomplishments, and 3 references as pdf files by **August 31, 2011** to: **Jonathan Karn, Ph.D., Chair; Virology Search Committee** at: <http://sunshine.case.edu/vcvsearch/index.htm>.

In employment, as in education, Case Western Reserve University is committed to Equal Opportunity and Diversity. Women, veterans, members of underrepresented minority groups, and individuals with disabilities are encouraged to apply. Case Western Reserve University provides reasonable accommodations to applicants with disabilities. Applicants requiring a reasonable accommodation for any part of the application and hiring process should contact the Office of Inclusion, Diversity and Equal Opportunity at 216-368-8877 to request a reasonable accommodation. Determinations as to granting reasonable accommodations for any applicant will be made on a case-by-case basis.

WOMEN IN SCIENCE

forging
new pathways in
green
science

Read inspiring stories of women working in "Green Science" who are blending a unique combination of enthusiasm for science and concern for others to make the world a better place.
