### 3 Senior Faculty Positions Cryo Electron Microscopy, X-ray Crystallography, and NMR Sealy Center for Structural Biology and Molecular Biophysics

UTMB Health seeks senior faculty applicants in structural biology in the Sealy Center for Structural Biology and Molecular Biophysics (SCSBMB). The Center supports a graduate program in molecular biophysics and five well-run core laboratories in Cryo-EM, NMR, X-ray, Computation and Solution Biophysics, each with an excellent PhD-level manager. For details see: <http://www.scsb.utmb.edu/>

The successful candidate must be a highly motivated individual with a PhD or MD degree, a strong publication record, and a record of independent well-funded grant support. The ideal candidate will have extensive experience in their specialty applied to the study of the structure, novel mechanisms, and functions of bio-macromolecules. Candidates for positions in either the department of Biochemistry and Molecular Biology or Pharmacology and Toxicology should also have or seek overlap with the highly collaborative established biomedical research community in UTMB's basic science departments, centers and programs of excellence such as the Institute for Human Infection and Immunity, the Galveston National Laboratory, the Center for Tropical Diseases, the Institute for Translational Sciences, the Sealy Center for Cancer Cell Biology, the Sealy Center for Environmental Health and Medicine, the Sealy Center on Aging, the George P. and Cynthia Woods Mitchell Center for Neurodegenerative Diseases, the Moody Center for Brain and Spinal Cord Injury Research, the Sealy Center for Molecular Medicine and the Chemical Biology Program. These and other entities provide a wide variety of core services, in recombinant DNA, genomics, proteomics, high-throughput drug screening, mass spectrometry, membrane protein crystallization, and protein expression and purification. Excellent collaborative opportunities also exist through UTMB's participation in the Gulf Coast Consortia and the Keck Center for Interdisciplinary Bioscience, <http://www.gulfcoastconsortia.org/home.aspx>.

Applicants are requested to submit electronically: a cover letter expressing interest in being considered, a curriculum vitae, current funding, a summary of research accomplishments, and future goals to mail to: [SCSBMB.recruiting@UTMB.edu](mailto:SCSBMB.recruiting@UTMB.edu). Direct inquiries to **Dr. B. Montgomery Pettitt**, [mpettitt@utmb.edu](mailto:mpettitt@utmb.edu), 409-772-0723.

### Faculty Positions at Tianjin University: Tianjin, China

Founded in 1895 with the name Peiyang University, Tianjin University is the oldest university in China. As the pioneer of modern higher education in China, the university proudly upholds the motto "Seeking Truth from Facts". Supported by Chinese Ministry of Education, Tianjin University is among the first group of universities to be included in the "985" and "211" Projects of national investment for developing world class universities. Over the years, Tianjin University has grown into a world recognized research university with distinctive quality and strength in education, research and social services. ([www.tju.edu.cn](http://www.tju.edu.cn))

#### Academic Disciplines

Tianjin University has a broad range of academic disciplines, covering engineering, natural science, management and some newly emerging inter-disciplines. All disciplines are open to applicants. The university especially encourages research that requires a multi-disciplinary and non-traditional approach. Successful applicants are expected to lead or establish new research directions at Tianjin University.

#### Positions

Tianjin University invites applications and nominations from outstanding scholars of all nationalities for professorship with full-time arrangements.

#### Qualifications

Academic Faculties and postdoctoral fellows with outstanding academic performance will be deemed competitive applicants. Relevant research field with a proven record of research excellence and outstanding communication skills are highly essential.

#### Responsibilities

Responsibilities include teaching undergraduate and graduate courses, developing and sustaining externally funded research programs, supervising graduate student, and professional/institutional services.

#### Salary and Support

Tianjin University offers competitive salaries, with an annual pre-tax salary of RMB 400K-600K and start-up package that includes adequate start-up financial support, ample laboratory space and research assistants.

#### Application Procedure

Please refer to <http://hr.tju.edu.cn/new/rsc/zpxx/js/> for detailed application procedure. The application deadline is **30th June 2012**.

#### Contact Method

Contact Person: Ling Zhang, Qing Du, Section of Recruitment, Human Resource Department, Tianjin University, China. Tel: (+86-022-27403932, 27404886, Fax: (+86-022-27404177, Add: 223/Building 9, 92 Weijin Road, Nankai District, Tianjin, 300072
