LET LIFE TAKE YOU THERE NOW.

A lot has happened since you've been away. Your mother turned 70. Your sister graduated from college. Your nephew took his first steps. Your China has transformed from a third-world country to a world-class economy. And Life Technologies, the world's most innovative biotechnology company, formed from the merger of Applied Biosystems and Invitrogen, is growing fast in China. So now there's no reason to keep missing out on the chance to be closer to your family and to be part of a team that makes science easier and life better everyday.
