

Jointly Announce a Career Opportunity in Research and Development  
**Associate Chief of Staff for Research and Development (ACOS for R&D)**

The ACOS for R&D is Chief of the Research Service with responsibility for the administration of the Seattle VA Medical Center's internationally renowned \$38 million research program. The ACOS for R&D maintains close ties to the VA academic affiliate, the University of Washington and UW School of Medicine; advises research investigators on administrative, scientific and professional matters; ensures communication; and effectively administers research program funds, R&D staff, and other research resources. In these roles, the ACOS for R&D is responsible for: developing administrative procedures and core facilities to support the research efforts; providing research and administrative guidance to researchers; ensuring the research complies with VA and other Federal regulations, policies and directives; serving as the official liaison with VA Central Office and other agencies on all research matters; and participating in management of the VA-affiliated research nonprofit, Seattle Institute for Biomedical and Clinical Research (SIBCR), by serving as a statutory member of its Board of Directors.

The successful candidate will have the opportunity to recruit a Deputy Director to assist in the administrative functions of this position, and is expected to qualify for a full-time faculty appointment at the University of Washington School of Medicine at the Associate or Full Professor level without tenure due to funding. Competitive candidates must be US citizens, hold the M.D or Ph.D. degree or foreign equivalent, and should have a vibrant, independent research program including a solid record of successful, extramurally-funded research. Experience in the management of medical research is desirable.

Interested applicants should submit a letter of inquiry and curriculum vitae to **Henry Laguatan, Physician Recruiter**, via FAX (1-478-757-3144), using the cover page accessible at <http://staffing.opm.gov/pdf/usascovers.pdf>. Mr. Laguatan is also available at [Henry.Laguatan@va.gov](mailto:Henry.Laguatan@va.gov) or by phone (206) 658-4289. For additional information please contact **Roberto F. Nicosia, M.D., Ph.D., Chair, ACOS for R&D Search Committee/ Director, Pathology and Laboratory Medicine (S-113-Lab) / 1660 S. Columbian Way, Seattle, WA 98108** (phone: 1-206-764-2284; email: [Roberto.Nicosia@va.gov](mailto:Roberto.Nicosia@va.gov)).

*The VA Puget Sound Health Care System and UW are Equal Opportunity/Affirmative Action Employers. UW faculty engage in teaching, research, and service.*

**DEPARTMENT OF IMMUNOLOGY TENURE STREAM POSITION**  
**Assistant Professor - 1401077**

The Department of Immunology, University of Toronto invites applications for a tenure-stream appointment. The appointment will be at the rank of Assistant Professor and will begin on July 1, 2015 or shortly thereafter.

As part of a continuing program to build on strength in Immunology, the University of Toronto is recruiting for a tenure track position. Outstanding applicants working in any area of Immunology complementary to our existing faculty ([www.immunology.utoronto.ca](http://www.immunology.utoronto.ca)) will be considered.

The successful candidate must have a Ph.D. or equivalent degree, postdoctoral experience, and will be expected to mount an original, competitive and independently funded research program, and to have a commitment to excellence in teaching at the undergraduate, medical and graduate level in Immunology. Salary will be commensurate with qualifications and experience. The position will be located in the Medical Sciences Building on the downtown St. George campus of the University of Toronto. All qualified candidates are invited to apply by visiting us at [www.uoft.me/facultycareers](http://www.uoft.me/facultycareers). Please see Job #1401077. Applications should include a cover letter, curriculum vitae, and a statement outlining current and future research. If you have questions about this position, please contact [immunology.search@utoronto.ca](mailto:immunology.search@utoronto.ca). All application materials should be submitted online. Submission guidelines can be found at: <http://uoft.me/how-to-apply>. We recommend combining attached documents into one or two files in PDF/MS Word format.

Applicants should also ask three referees to send letters directly to the department via e-mail to [immunology.search@utoronto.ca](mailto:immunology.search@utoronto.ca) by the closing date, **August 17, 2014**.

All application materials should be submitted online by closing date, **August 17, 2014**.

For details about the Department of Immunology see <http://www.immunology.utoronto.ca>

*The University of Toronto is strongly committed to diversity within its community and especially welcomes applications from visible minority group members, women, Aboriginal persons, persons with disabilities, members of sexual minority groups, and others who may contribute to the further diversification of ideas. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.*
