**Los Alamos National Laboratory (LANL)**, a multidisciplinary research institution engaged in strategic science on behalf of national security, has a *single* open Center Leader position in the Center for Nonlinear Studies (CNLS). It will be filled either at the R&D Manager 4 or the R&D Scientist 5 level.

**CENTER LEADER  
(R&D MANAGER 4)  
Job IRC34587**

**CENTER LEADER  
(SCIENTIST 5)  
Job IRC34586**

The Center Leader provides scientific leadership and line management of the CNLS and plays an institutional and integrating role in collaboration with scientists throughout the Laboratory. The CNLS Center Leader is expected to develop and lead a program to target and create cooperative long-term research programs consistent with the Laboratory's strategic research objectives, to develop a strong working relationship with the CNLS External Advisory Committee, and to maintain effective working relationships throughout all levels of the Laboratory, government entities, academia and industry. The successful candidate will be expected to maintain an active research program while providing technical vision to nurture and support existing programs of others at the Center. The Center Leader should be energetic, results-oriented, a catalyst for change and an outstanding relationship builder. Line management responsibilities include accountability for quality research, management of financial and human resources, proactive support of Laboratory and Division safety, security, environment and diversity objectives, the communications/marketing strategy for the Center and collaboration with the Theoretical Division to help provide strategic direction for the organizations.

Position requires a Ph.D. degree in a scientific or engineering field relevant to the Center's activities and research or equivalent combination of education and experience. Demonstrated record of scientific accomplishment in one or more areas relevant to the Center as evidenced by an outstanding publication portfolio and/or a demonstrable national or international reputation is essential. Demonstrated experience in establishing and maintaining research collaborations, from the identification of new potential topics to forming teams, promoting proposals, and executing projects is also required.

Applicants may apply to both job postings at [careers.lanl.gov](http://careers.lanl.gov)

*Applicants whose materials are received by October 31, 2014 will receive full consideration.*
