Science Careers

FROM THE JOURNAL SCIENCE **MAAS**

ScienceCareers.org

THE CHINESE UNIVERSITY OF HONG KONG

Applications are invited for:-

School of Biomedical Sciences

Associate Professor(s) / Assistant Professor(s) (Non-clinical)

(Ref. 1415/159(665)/2) (Closing date: March 31, 2015)

The School has research programmes focusing on reproductive and developmental biology, molecular oncology, cardiovascular and metabolic biology, neurodevelopment and degeneration as well as stem cell and regeneration biology. Individuals who are strongly motivated by the biological importance of their research and who value the opportunity to work in close collaboration with basic and clinical scientists are welcome for non-clinical openings at Associate Professor or Assistant Professor levels.

Applicants should have (i) a PhD, MD, or DVM degree or equivalent in biological and biomedical sciences or related disciplines; (ii) experience in using cutting-edge technologies such as bioinformatics, genomics, molecular genetics, stem cells, transgenic animal and imaging in their studies; and (iii) a good track record of research and publication in international peer-reviewed scientific journals in one or more related areas. Individuals with track record in research on human genetics and genomics, neurodegenerative diseases, mammalian development and regeneration biology are particularly welcome.

Duties include (a) teaching undergraduate, postgraduate, medical and general education courses; and (b) leading a vigorous independent research programme. Appointees will be provided with appropriate laboratory and office space and a start-up package commensurate with qualifications and experience.

Appointment will normally be made on contract basis for up to three years initially commencing in the third quarter of 2015 or thereafter, which, subject to mutual agreement, may lead to longer-term appointment or substantiation later.

Salary and Fringe Benefits

Salary will be highly competitive, commensurate with qualifications and experience. The University offers a comprehensive fringe benefit package, including medical care, plus a contract-end gratuity for an appointment of two years or longer, and housing benefits for eligible appointees.

Further information about the University and the general terms of service for appointments is available at <http://www.per.cuhk.edu.hk>. The terms mentioned herein are for reference only and are subject to revision by the University.

Application Procedure

Application forms are obtainable (a) at <http://www.cuhk.edu.hk/personnel>, or (b) in person/by mail with a stamped, self-addressed envelope from the Personnel Office, The Chinese University of Hong Kong, Shatin, Hong Kong.

Please send the completed application form and/or full curriculum vitae, together with copies of qualification documents, a publication list and/or abstracts of selected published papers, and names, addresses and fax numbers/e-mail addresses of three referees to whom the applicants' consent has been given for their providing references (unless otherwise specified), to the Personnel Office by post or by fax to (852) 3942 0947 by the closing date.

Please quote the reference number and mark 'Application - Confidential' on cover. The Personal Information Collection Statement will be provided upon request.

National Institute of Environmental Health Sciences
Your Environment. Your Health.

Department of Health and Human Services, National Institutes of Health National Institute of Environmental Health Sciences Environmental Health Perspectives Editor-in-Chief

The National Institute of Environmental Health (NIEHS), a component of the National Institutes of Health (NIH) and the Department of Health and Human Services (DHHS), is seeking exceptionally qualified candidates for the next Editor-in-Chief of Environmental Health Perspectives (EHP).

EHP is a peer-reviewed, open access, monthly science journal, publishing a wide range of topics related to the impact of the environment on human health. The journal has an impact factor of 7.03 and is international in scope with readers in over 100 countries. EHP is the third-ranked journal in Public, Environmental, and Occupational Health, the fourth-ranked journal in Toxicology, and the fifth-ranked journal in Environmental Sciences. Information about EHP is available at <http://ehp.niehs.nih.gov>.

The Editor-in-Chief is a full-time federal government employee who will be responsible for the science and strategic vision of the journal. The Editor-in-Chief will supervise a limited number of senior employees, including an Operations Manager who oversees the journal production and management of staff. Candidates should have a substantial background as a research scientist in a field related to environmental health sciences and extensive editorial experience in the field of scientific publishing. The ideal candidate will have a Ph.D., MD, or equivalent Doctoral degree in a field of the biological sciences or another scientific discipline, such as statistics or chemistry.

This exciting opportunity will be posted on the USAJOBS website and open for applications from **March 30 to April 17, 2015**. For questions about the position, please contact **Rick Woychik, Ph.D., NIEHS Deputy Director**, rick.woychik@nih.gov.

DHHS and NIH are Equal Opportunity Employers.
