POSITIONS OPEN

DIRECTOR OF THE WATER INSTITUTE

The Penn State Institutes of Energy and the Environment (PSIEE), in the Office of the Vice President for Research at The Pennsylvania State University, invites applications for Director of the Water Institute.

The Water Institute is the newest of the institutes under PSIEE. The inaugural Director will be charged with leading the unit in shaping the overall water related research portfolio; in coordination with over 120 exceptional faculty, distributed across eight colleges at University Park and several regional campuses. Current water research activity includes, three major centers supported by NSF and EPA, and over \$40 million per year of external funding for water and closely allied research fields. The quality of Penn State's water scholarship is exceptional, with the fifth most citations and the highest citation per publication ratio of all major U.S. universities during the last 5 years. Additional information about Penn State's water programs and PSIEE are detailed in the Water Task Force Report and PSIEE Strategic Plan, both available at [website: http://psiee.psu.edu](http://psiee.psu.edu).

The Director of the Water Institute must have a strong interest in facilitating interdisciplinary water scholarship, developing the Water Institute's grant portfolio, and increasing the exposure of Penn State as a national leader in water research. The Director will also participate in the recruitment of new faculty. Successful candidates must have a Ph.D., or equivalent credentials appropriate for a tenured or tenure-track professor; as well as an outstanding publication and external funding record in water research. The candidate's area of research may address any aspect of water science, policy, law, engineering, design, ethics, etc. The tenure home of the Director will be determined in consultation with the successful candidate and the relevant department. As an administrator, the position is subject to yearly goal setting and review, and regular 5-year performance reviews.

To apply, submit a cover letter, curriculum vita, and the names and contact information of at least three references. Applications will be reviewed beginning July 6, 2015 and will be accepted until the position is filled. Apply to **job 57767** at [website: http://apptrkr.com/201523736](http://apptrkr.com/201523736).

CAMPUS SECURITY CRIME STATISTICS: For more about safety at Penn State, and to review the Annual Security Report which contains information about crime statistics and other safety and security matters, please go to [website: http://www.police.psu.edu/clery/](http://www.police.psu.edu/clery/), which will also provide you with detail on how to request a hard copy of the Annual Security Report.

Penn State is an Equal Opportunity/Affirmative Action Employer, and is committed to providing employment opportunities to all qualified applicants without regard to race, color, religion, age, sex, sexual orientation, gender identity, national origin, disability, or protected veteran status.

FACULTY POSITIONS – MEDICAL SCHOOL

The new Center for Research on Environmental Disease, College of Medicine, University of Kentucky is seeking candidates for several faculty positions at the ASSISTANT/ASSOCIATE/PROFESSOR (tenure-track and tenured) levels with 12-month appointment. Applicants are sought in the broad area of environmental disease and those with NIH support will receive favorable considerations. Applicants should submit their curriculum vitae to **Dr. Xianglin Shi**, Professor and Director, Center for Research on Environmental Disease electronically to **e-mail: xshi5@email.uky.edu**. Review of applications will begin immediately and continue until the positions are filled.
