POSITIONS OPEN

UNIVERSITY OF MINNESOTA – TWIN CITIES Biochemistry, Molecular Biology, and Biophysics

The Department of Biochemistry, Molecular Biology, and Biophysics invites applications for a full-time, tenured **ASSOCIATE PROFESSOR** position to begin on or around January 1, 2016. Although all types of biomedical research will be considered, we are particularly interested in candidates with expertise in transcriptional or posttranscriptional gene regulation as well as all aspects of chromatin modification and regulation. The successful candidate will be expected to have a strong, externally funded research program and contribute to the interdisciplinary undergraduate, graduate, and professional teaching programs of the Department. Cross-disciplinary collaboration is also an asset. All candidates must currently be at the Assistant Professor (tenure track) or Associate Professor level with a strong publication record. The successful candidate will receive a startup package and a salary commensurate with education and experience.

The deadline for submitting applications is September 1, 2015. Please apply online at **website: <http://umn.edu/ohr/employment>** and click the blue "search and apply for current openings" link located in the center of the page. Enter 303175 in the "Keywords" box and click the yellow search button. Please attach full curriculum vitae, a two-page research overview, and a one-page teaching statement. Please attach the names of three references who will be able to provide research and teaching potential.

The University of Minnesota is an Equal Opportunity Educator and Employer. The Department of Biochemistry, Molecular Biology, and Biophysics strongly encourages all individuals to apply regardless of gender, ethnicity, or background and is committed to a diverse research and teaching environment.

TENURE TRACK FACULTY POSITION Georgia Institute of Technology School of Chemistry and Biochemistry Atlanta, GA 30332-0400

The Georgia Institute of Technology, School of Chemistry and Biochemistry seeks to fill three or more tenure-track faculty positions. Candidates from all areas will be considered, with opportunities for joint appointments in other departments of science and engineering to facilitate interdisciplinary research and scholarship. Exceptional candidates at all levels are encouraged to apply. Candidates for appointment at the **ASSISTANT PROFESSOR** level should submit an application letter, curriculum vitae, summary of research plans, description of teaching interests and philosophy, and arrange for submission of three letters of reference. Candidates at advanced levels should submit an application letter, curriculum vitae, and a brief description of research plans (particularly if future plans differ significantly from past efforts). All materials and requests for information should be submitted electronically, as per the instructions found at **website: <https://academicjobsonline.org/ajo/jobs/5757>**.

The application deadline is September 15, 2015 with application review continuing until the positions are filled.

Georgia Tech is an Equal Education/Employment Opportunity Institution.
