UNIVERSITY OF
LIVERPOOL

Faculty of Science and Engineering
Materials Innovation Factory (MIF)
**Chair, Reader/Senior
Lecturer, Lecturer in
Materials Research**
(Full-Time or Part-Time)

Post 1: Chair - Salary Negotiable

Post 2: Reader/Senior Lecturer Grade 9
£50,702 - £62,323 pa (or pro rata)

Post 3: Lecturer Grade 7/8
£32,600 - £49,230 pa (or pro rata)

The University is seeking to recruit to up to 10 academic positions in the Faculty of Science and Engineering in the broad area of materials research, distributed across the School of Physical Sciences (Chemistry, Physics & Mathematics), School of Engineering, the School of Electrical, Electronic Engineering and Computer Science, and the School of Environmental Sciences across the areas of Chemistry, Physics, Materials Science, Engineering, Computer Science. You should have an outstanding research track record, as demonstrated by publications and other relevant outputs. Applications will be considered from any area of materials research, but would be particularly welcomed in the areas of computational materials chemistry, polymer physics, rheology, robotics and/or automated metrology, biomaterials, materials processing and related areas. The posts will be aligned with the Materials Innovation Factory (MIF), a major new £68m research institute that is being established at the University. For the Chair or Readership positions you will be expected to demonstrate a significant track record of funding and a capacity for leadership in your field.

The University is an Athena SWAN Bronze Award holder and is committed to encouraging, developing and supporting women in their research and academic careers. We are working to create an inclusive environment which values a diverse workforce and we recognise that many individuals value flexibility in their work/life balance, therefore these posts may be taken up on a part-time (a minimum of 0.5fte) or full-time basis (including a job share).

Job Ref: A-590406/S Closing date: 11 April 2016
