POSITIONS OPEN

ENDOWED CHAIR IN BIOMEDICAL RESEARCH AS AN ASSOCIATE OR FULL PROFESSOR OF VIROLOGY IN SAN DIEGO

The Viral Information Institute is a new interdisciplinary research center at San Diego State University (SDSU) built upon the pioneering work in virology of a diverse group of collaborative faculty. The institute aims to understand the impact of viruses on human health and the environment through cutting-edge research.

The Department of Biology at SDSU is recruiting an individual as either an associate professor or a full professor promoted to full within the last 5 years to be the Conrad Prebys Endowed Chair in Biomedical Research as part of the Viral Information Institute.

The successful candidate will have a demonstrated record of research accomplishments and funding and will employ state-of-the-art approaches to study the role of viruses in the human microbiome. The candidate will also have a strong record in grant writing and extramural support, as well as a demonstrated capacity for collaborating, mentoring, and teaching.

Applications should be submitted via Interfolio at website: <http://apply.interfolio.com/34893>. Review of applications will begin 01 August 2016, and will continue until the position is filled. Incomplete applications are not guaranteed full consideration. For more information see website: <http://www.bio.sdsu.edu/jobs/>.

SDSU is a Title IX, Equal Opportunity Employer.
