SCHOOL OF MEDICINE
CASE WESTERN RESERVE
UNIVERSITY

Tenure Track Faculty Position Department of Physiology and Biophysics

The Department of Physiology and Biophysics at Case Western Reserve University School of Medicine seeks a faculty member at the rank of Assistant, Associate or Full Professor engaged in kidney research. Applicants must have a Ph.D., M.D. or equivalent degree, and demonstrated academic excellence appropriate for career stage. Individuals seeking appointment at the Assistant Professor level must have at least 3 years of postdoctoral experience, a strong record of scholarly activity and evidence of academic potential. Candidates for Associate Professor should have a considerable publication record, evidence of an international reputation and a demonstrated ability to renew funding. For appointment at the Professor level substantial evidence of leadership in the applicant's academic field, outstanding productivity and a sustained funding history are required. Rank will be commensurate with experience.

The successful applicant will be expected to develop and/or continue a robust extramurally-funded research program that compliments current programs within the Department. All areas will be considered; however, areas of particular interest are: (1) mechanisms of ion/water transport; (2) regulation of transport; and (3) renal control of blood pressure.

The Department of Physiology and Biophysics includes 18 primary and 32 secondary faculty members. The Department has a strong record of renal research.

Interested candidates should send an electronic application that includes a cover letter, complete curriculum vitae including funding history, a one-page summary of research interests and the names and contact information for three references to: RenalSearch@case.edu. Review of applications will begin **November 1, 2016**.

In employment, as in education, Case Western Reserve University is committed to Equal Opportunity and Diversity. Women, veterans, members of underrepresented minority groups, and individuals with disabilities are encouraged to apply.

Case Western Reserve University provides reasonable accommodations to applicants with disabilities. Applicants requiring a reasonable accommodation for any part of the application and hiring process should contact the Office of Inclusion, Diversity and Equal Opportunity at 216-368-8877 to request a reasonable accommodation. Determinations as to granting reasonable accommodations for any applicant will be made on a case-by-case basis.

SCHOOL OF MEDICINE
CASE WESTERN RESERVE
UNIVERSITY

Tenure Track Faculty Position Department of Physiology and Biophysics

The Department of Physiology and Biophysics at Case Western Reserve University School of Medicine seeks a faculty member at the rank of Assistant, Associate or Full Professor engaged in any area of cardiac research. Applicants must have a Ph.D., M.D. or equivalent degree and demonstrated academic excellence appropriate for career stage. Individuals seeking appointment at the Assistant Professor level must have at least 3 years of postdoctoral experience, a strong record of scholarly activity and evidence of academic potential are required. Candidates for Associate Professor should have a considerable publication record, evidence of an international reputation and a demonstrated ability to renew funding. For appointment at the Professor level substantial evidence of leadership in the applicant's academic field, outstanding productivity and a sustained funding history are required. Rank will be commensurate with experience.

The successful applicant will be expected to develop or continue a robust extramurally-funded research program that compliments current strengths within the Department. Any area of cardiac biology will be considered, however, we particularly encourage applicants with expertise in the areas of cellular and molecular mechanisms of cardiac muscle contraction, genetics of cardiovascular disease, cardiac electrophysiology and arrhythmias, cardiac regeneration and heart failure.

Interested candidates should send an electronic application that includes a cover letter, complete curriculum vitae, a two-page summary of current and future research plans, and the names and contact information for four references to: CardiacSearch@case.edu. Review of applications will begin **November 1, 2016**.
