POSITIONS OPEN

ASSISTANT/ASSOCIATE PROFESSOR OF MICROBIOLOGY

The Department of Microbiology and the Virus Engineering Center for Therapeutics and Research (VECToR) at the Icahn School of Medicine at Mount Sinai seeks qualified candidates interested in virus-host interactions, emerging infectious diseases, viral immunology, and/or virus-enabled technologies. We wish to recruit outstanding scientists with innovative ideas, a strong publication record, and a desire to create their own unique research program to fill a tenure-track position at the level of assistant or associate professor. Applicants must hold a Ph.D. and/or M.D. and have at least two years of postdoctoral experience.

For consideration, please send your Curriculum Vitae, a brief description of your research plan, and contact information for two individuals familiar with you and your work to:

Dr. Benjamin tenOever
Chair, Search Committee
Department of Microbiology
e-mail: benjamin.tenoever@mssm.edu

You may also e-mail: loren.walters@mssm.edu
Please visit the department on our website at: <http://icahn.mssm.edu/about/departments/microbiology>

We are an Equal Opportunity Employer fostering diversity in the workplace.

Indiana University, Bloomington Three Lecturer Positions in Chemistry

The Department of Chemistry at Indiana University (<http://www.chem.indiana.edu/>) invites applications for three non-tenure track lecturer positions starting in fall 2017. Applicants with expertise in biochemistry or inorganic chemistry are being sought for two positions; the third position is open to any area of chemistry. These appointments will be considered at the level of either Lecturer or Visiting Lecturer, depending on experience. The Visiting Lecturer position will be for a 2-year period. These positions will teach lower-level undergraduate courses in general chemistry and upper-level undergraduate courses in their areas of expertise. Candidates must hold a Ph.D. in chemistry, biochemistry, or a related field, and applications from candidates with prior teaching experience are especially encouraged. Salary will be competitive and commensurate with experience. Applications completed by **February 15, 2017** will receive full consideration, but the review will continue until the positions are filled. Interested candidates should review the application requirements and submit a cover letter, curriculum vitae (emphasizing teaching experience), and teaching philosophy, and arrange to have three letters of recommendation sent to website (<https://indiana.peopleadmin.com/postings/3363>). Questions regarding the position or application process can be directed to: **Professor Romualdo deSouza, Chair, Faculty Search Committee, Department of Chemistry, Indiana University, 800 E. Kirkwood Ave., Bloomington, IN 47405, chemchair@indiana.edu.** *Indiana University is an Equal Employment and Affirmative Action Employer and a provider of Americans with Disabilities Act services. All qualified applicants will receive consideration for employment without regard to age, ethnicity, color, race, religion, sex, sexual orientation or identity, national origin, disability status or protected veteran status.*

POSITIONS OPEN

NATURAL SCIENCES PRE-PROFESSORIATE FELLOWSHIP, 2017-2019 (APPLY.INTERFOLIO.COM/40040)

The purpose of the fellowship is to support promising scholars who are committed to diversity in academia and prepare them for possible tenure track appointment at University of Maryland, Baltimore County, (UMBC). The fellow will be appointed as a Research Assistant Professor for a two-year term beginning July 1, 2017. The fellow will receive a starting stipend of \$50,000, health benefits, \$5,000 for conference travel and preparation of scholarly work, up to \$5,000 in instrument services, up to \$10,000 for supplies /consumables, lab space, office space with computer, library access, and other privileges at the university. During the two-year term of appointment, most of the fellow's time will be devoted to pursuing research. In addition, the fellow will teach one course (one semester only) per year. Highly experienced research and teaching mentors will meet with the fellow regularly to provide guidance on developing a pedagogically sound teaching philosophy and plan, and improving the skills needed to pursue an academic research career, including proposal and manuscript writing, and technical presentation skills. The fellow will also benefit from professional development opportunities across the campus. Applications in any area of Chemistry or Biochemistry are welcome. Candidates with PhD degrees in Chemistry, Biochemistry, or related fields at the time of the application are eligible for this position.

Application Instructions: Applications must be submitted at website: <http://apply.interfolio.com/40040>

Deadline: Review of completed applications will begin on **February 15, 2017**. Incomplete applications will not be reviewed. The search will remain open until the position is filled. Inquiries about the program may be addressed to email: chemsearch@umbc.edu

UMBC is an EOE/AA.
