Clark University’s Department of Biology (www2.clarku.edu/departments/biology/) invites applications for a tenure-track appointment at the rank of Assistant Professor to begin fall 2018. The successful candidate is expected to develop an externally-funded research program in any field of ecology, involving Ph.D., Masters, and undergraduate students, and teach Ecology, Biostatistics, and other courses in their area of expertise. Clark University is especially interested in qualified candidates who can contribute, through their research, teaching, and/or service, to the diversity and excellence of the academic community.

Interested applicants are encouraged to apply online at http://apprkr.com/1008384

Deadline for submission is October 1, 2017.

U.C.S.F. seeks candidates whose experience, teaching, research, or community service has prepared them to contribute to our commitment to diversity and excellence. U.C.S.F. is an Affirmative Action/Equal Opportunity Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age or protected veteran status.
Are you a talented, dynamic, and motivated scientist looking for an opportunity to conduct research in the fields of **BIOLOGY**, **COMPUTER SCIENCE**, **MATHEMATICS**, **PHYSICS**, or **NEUROSCIENCE** at a young, thriving institution that fosters scientific excellence and interdisciplinary collaboration?

Apply to the ISTplus program. Deadlines March 15th and September 15th

**LMU**

Ludwig-Maximilians-Universität (LMU) in Munich is one of the leading research universities in Europe, with a more than 500-year tradition. LMU aims to create favorable conditions for world-class academics. To provide outstanding junior researchers in all subject areas with a long-term career perspective, LMU is offering

**Tenure Track Professorships to Successful ERC Starting Grantees**

in the current call of the European Research Council (for candidates 2-7 years after their PhD). If you would be interested in joining LMU’s research community, please contact the appropriate faculty member in your field of research as soon as possible.
Assistant or Associate Professor
Division of Pharmacology and Toxicology

The Division of Pharmacology and Toxicology at The University of Texas at Austin College of Pharmacy invites applications for a full-time tenure-track or tenured faculty position at the rank of Assistant or Associate Professor level, with an anticipated start date of Fall 2018. Division faculty members (http://sites.utexas.edu/pharmtox/faculty/) are a highly interdisciplinary and collaborative group with cutting-edge basic and translational research programs. The University of Texas at Austin is home to the Waggoner Center on Alcohol and Addiction Research which provides strong support for collaborative research. The successful applicant will engage in productive research, high-quality teaching, and active participation in university service. The candidate will be expected to establish a vigorous and externally funded research program.

Candidates with research interests related to the pharmacology and neurobiology and mechanisms of alcohol use disorders and addiction are particularly encouraged to apply. Teaching in the professional (Pharm.D.) program, and Ph.D. graduate student instruction is required. Qualified candidates must have a Ph.D. or equivalent degree in a relevant field. Only candidates with a sustained record of extramural funding and outstanding scholarship will be considered for appointment as Associate Professor.

Applications received before October 1, 2017 will receive first consideration, but applications will be accepted until the position is filled. The position carries a highly competitive salary, benefits, and startup package, commensurate with experience. All highly qualified applicants will be considered.

This institution is using Interfolio’s ByCommittee to conduct this search. Applicants may access this position at https://apply.interfolio.com/43657 and will be prompted to submit a cover letter, curriculum vitae, research plan, and a list of 3 references.

The University of Texas at Austin is an Equal Opportunity Employer with a commitment to diversity at all levels. All qualified applicants will receive consideration for employment without regard to race, color, religion, gender, national origin, age, disability, or veteran status. (Compliant with the new VEVRAA and Section 503 Rules). Security sensitive; conviction verification conducted on applicant selected. If hired, you will be required to complete the federal Employment Eligibility Verification form, I-9. You will be required to present acceptable and original documents to prove your identity and authorization to work in the United States. UT Austin is a tobacco-free campus.
**National Taiwan University Presidential Search**

National Taiwan University (NTU) is a full-fledged comprehensive university with outstanding achievements. Presidential Search Committee now invites nominations and applications for the position of President.

Presidential candidates should meet the following requirements:
- Academician at Academia Sinica, or professor, or professional with prior teaching and academic research experience equivalent to that required of a professor, and at least three years of experience, accumulative, as a director in schools, government agencies, or in other state-owned or private business entities.
- The ideal President should be a leader of moral integrity with outstanding academic achievements and administrative skills in education. The new leader should also be able to administer matters impartially and beyond the interests of any political group.

For those who would like to nominate a candidate, please fill in all required forms and deliver them to the address below via registered mail, express mail, or in person before 5pm on October 2, 2017. Application dossier will not be returned.

**NTU Presidential Search Committee**
No.1, Sec. 4, Roosevelt Road
Taipei
Taiwan 10617

If you have any inquiries, please call (886)-2-33662035, or fax (886)-2-23629997. The nomination forms can be downloaded from the **NTU Website**: [http://www.ntu.edu.tw](http://www.ntu.edu.tw)

**ETH Zürich**

**Assistant Professor (Tenure Track) of Soil Resources**

→ The Department of Environmental Systems Science (www.usys.ethz.ch) of ETH Zürich invites applications for an assistant professor (tenure track) focusing on (1) the role of soil as a key natural resource, supporting a wide range of forest and other terrestrial ecosystem functions and services and/or (2) quantifying the effects of changes of land use and climate on various soil functions at local to global scales. Candidates should be interested in system-oriented multidisciplinary research and are expected to develop an innovative and internationally recognized research programme, making an important contribution to linking soil ecosystem services to land-use and climate change.

→ The successful candidate will have a strong background in soil sciences and demonstrated potential for innovative research. At the assistant professor level commitment to teaching and the ability to lead a research group are expected. Teaching duties will include advanced-level courses on the assessment, modelling or management of soil resources as part of the environment.

→ Assistant professorships have been established to promote the careers of younger scientists. ETH Zürich implements a tenure track system equivalent to other top international universities.

→ Please apply online at: [www.facultyaffairs.ethz.ch](http://www.facultyaffairs.ethz.ch)

→ Applications should include a curriculum vitae, a list of publications, a statement of future research and teaching interests, and a description of the three most important achievements. The letter of application should be addressed to the President of ETH Zürich, Prof. Dr. Lino Guzzella. The closing date for applications is 31 August 2017. ETH Zürich is an equal opportunity and family friendly employer and is responsive to the needs of dual career couples. We specifically encourage women to apply.

**Vanderbilt University Medical Center**

**Faculty Position in Microbial Pathogenesis**

Department of Pathology Microbiology and Immunology Vanderbilt Institute for Infection, Immunology, and Inflammation (VI4)

The Department of Pathology, Microbiology and Immunology, and the Vanderbilt Institute for Infection, Immunology, and Inflammation (VI4) at Vanderbilt University Medical Center invite applications for a tenure-track faculty position at the Assistant Professor level (PhD, MD, MD/PhD). Areas of particular interest include, but are not limited to, viral pathogenesis, bacterial pathogenesis, and host-microbe interactions. Successful candidates will be expected to establish and maintain an independent research program and participate in teaching of graduate and medical students. Candidates should have substantial post-graduate training highlighted by peer-reviewed publications that demonstrate research productivity.

Vanderbilt University Medical Center, located on the Vanderbilt University campus, is home to internationally recognized programs in bioinformatics, drug discovery, global health, inflammation, imaging science, pharmacology, proteomics, and vaccine science. The School consistently ranks in the Top 20 US Medical Schools and provides outstanding opportunities for scholarship, collaboration, and teaching.

The Vanderbilt University campus is located in the heart of Nashville, the capital of Tennessee, known internationally as “Music City USA”. Nashville is also the home to professional sports teams, the Nashville Symphony, the Frist Center for the Visual Arts, and numerous activities for outdoor enthusiasts. Nashville is a wonderful place to live, work, and raise a family.

Applicants should send a curriculum vitae, a statement of current and future research interests, and at least 3 references to: Eric Skaar, Ph.D., Director VI4, Vice Chair for Basic Research, Department of Pathology, Microbiology and Immunology, Vanderbilt University Medical Center at this Email: micopath@vanderbilt.edu

*Vanderbilt University is an Affirmative Action/Equal Opportunity Employer. Women and minority candidates are encouraged to apply.*
