

A detailed 3D rendering of two large, interconnected cells with a textured, golden-brown surface. Each cell contains a prominent, lighter-colored nucleus. The background is a soft-focus field of similar cells, creating a sense of depth and biological activity.

Exceptional scientists wanted

Present your work to the world.

Are you a representative of the upcoming generation of thought leaders in your field? Together we look forward to your application for the new Sartorius & Science Prize for Regenerative Medicine & Cell Therapy.

Apply now!
