## UPMC HILLMAN CANCER CENTER

Affiliated with the University of Pittsburgh School of Medicine

### Basic Cancer Research Faculty, UPMC Hillman Cancer Center, Pittsburgh, PA

The UPMC Hillman Cancer Center, celebrating its 27<sup>th</sup> year as a leading center for cancer research, is recruiting outstanding basic science faculty at the *Assistant, Associate and Professor levels* to join established programs in *Molecular and Cellular Cancer Biology, Cancer Virology, and Cancer Immunology*. These programs are internationally recognized for breakthrough research in genome stability, cellular responses to stress, cell death pathways, cancer virus discovery, viral contributions to cancer, cancer immunology and the tumor microenvironment, cancer immunotherapy and cancer immunoprevention.

Successful candidates will have an exceptional scientific research record and will join in tenure-track or tenured faculty positions that are commensurate with prior training and experience. A competitive salary and research start-up package will be provided, as well as laboratory and office space within the state-of-the-art Hillman Cancer Center or Magee-Womens Research Institute.

Located in the city of Pittsburgh (routinely ranked as one of the top most livable and affordable U.S. cities), Hillman (previously known as the University of Pittsburgh Cancer Institute) is an NCI-designated Comprehensive Cancer Center with 344 members; 10 research programs in basic, translational, clinical, and population sciences; 13 shared resources that receive funding from our NCI Cancer Center Support Grant; and an FY17 institutional funding base of nearly \$157 million. In FY16, the University of Pittsburgh ranked #5 in overall NIH funding. Hillman Cancer Center serves a catchment area of **29 Western Pennsylvania counties** and provides unique opportunities to collaborate with clinical and translational research programs involved in cancer patient care.

To apply for a position, please send your *curriculum vitae*, a one-page summary of your research plans (together with recommendations) to Hillman Director Robert L. Ferris, MD, PhD, care of [thompsonla3@upmc.edu](mailto:thompsonla3@upmc.edu). Applications will be reviewed and evaluated on an ongoing basis, following the receipt of all required materials. *The University of Pittsburgh is an Affirmative Action, Equal Opportunity Employer.*

Pittsburgh, PA 15232

## Faculty Position in Bacteriology Department of Microbiology-Immunology

**Northwestern Medicine**  
Feinberg School of Medicine

The Department of Microbiology-Immunology at Northwestern University Feinberg School of Medicine seeks a full-time **tenure track Investigator** at the rank of Assistant, Associate, or Full Professor level within the broad field of bacteriology. Applicants in the fields of antibiotic resistance, bacterial pathogenesis, beneficial microbes, and host-pathogen interactions are particularly encouraged to apply.

Qualified candidates are expected to have a Ph.D., M.D., or equivalent degree as well as postdoctoral training. The successful candidate will be expected to establish and maintain a vigorous, extramurally funded research program and to participate in our strong graduate and medical student training programs. All applicants should have substantial peer-reviewed publications that demonstrate productivity and the ability to perform cutting edge research. Candidates for an Assistant Professor position should have current or pending external funding, which could include an NIH K level award. Candidates at the Associate Professor or Full Professor level should have substantial research productivity, current grant support and academic service. The primary criteria for selection will be excellence and creativity in research and scholarship. We offer a highly interactive collegial research environment with state-of-the-art research facilities.

Application materials will be reviewed as received, but to receive full consideration, should be received by **December 15, 2017**. The start date is negotiable and the position will remain open until filled.

Please read ALL instructions and make preparations before proceeding to the application page:

- Applications will **only** be accepted via online submission (see link below).
- Please prepare all documents in advance as Adobe PDF files, and please be sure all information is entered correctly and accurately (especially names and email addresses), as there will be no opportunity for online revision after your application has been submitted.
- All required fields in the application form are marked with an asterisk and must be filled before clicking the "Submit" button.
- Be aware that incomplete applications cannot be saved.

Applications accepted here: <https://facultyrecruiting.northwestern.edu/apply/NTI=>

*Northwestern University is an Equal Opportunity, Affirmative Action Employer of all protected classes, including veterans and individuals with disabilities. Women, racial and ethnic minorities, individuals with disabilities, and veterans are encouraged to apply. Hiring is contingent upon eligibility to work in the United States.*
