POSITIONS OPEN

TENURE TRACK FACULTY POSITIONS Physiology

With the rapid revitalization of Detroit, Wayne State University (WSU) is undergoing a major growth in its research enterprise. The Department of Physiology at WSU School of Medicine (SOM) (<http://physiology.med.wayne.edu>) invites applications for two tenure-track Assistant/Associate Professor positions. We seek candidates with research interests in cardiovascular, metabolic, respiratory and other areas of physiology, pathophysiology and biophysics, applying molecular, cellular and systems approaches. WSU SOM is a state of the art research environment, rated in the top third of all US Research Institutions by the Carnegie Foundation. The Department of Physiology, ranked #40 in 2017 of the ~120 Physiology departments in US, has one of the most active research programs among the basic science departments at WSU-SOM. Start-up package and salary are highly competitive.

Candidates should hold Ph.D., M.D. or equivalent from a relevant area. The selected candidates are expected to establish extramurally funded active research programs and participate in teaching medical and graduate students. Please apply to website: https://jobs.wayne.edu/applicants/jsp/shared/position/JobDetails_css.jsp?postingId=542621, posting 043648, by uploading a curriculum vitae, a detailed future research plan, and names/contact information of three references. Please submit inquiry with Curriculum Vitae to Physiologyfacultysearch@wayne.edu. Review of applications will begin after July 15, 2018 and continue until the positions are filled.

Wayne State University is a premier, public, urban research university located in the heart of Detroit where students from all backgrounds are offered a rich, high quality education. Our deep-rooted commitment to excellence, collaboration, integrity, diversity and inclusion creates exceptional educational opportunities preparing students for success in a diverse, global society. *WSU encourages applications from women, people of color and other underrepresented people. WSU is an Affirmative Action/Equal Opportunity Employer.*

SRON

Netherlands Institute for Space Research

SRON, the Dutch national expertise institute for scientific space research, is seeking a

Science Director/Director General

with an international reputation in the field of scientific space research. The director is well connected to the international and national space research community and has a clear vision on the future scientific direction of space research. The director has proven managerial skills at a research organization and has the natural ability and authority for leading scientific and support staff. The director is a teamplayer and has a proven track record of leading international scientific research collaborations. The director promotes diversity, is a strong communicator and has a keen eye for opportunities to connect science with industry and society.

For further information and to apply visit <https://www.nwo-i.nl/en/vacature/science-director-director-general-of-sron/>.
Application deadline: August 17, 2018.

SRON is part of NWO-I, the Institutes Organisation of NWO.
