

A detailed 3D rendering of two large, interconnected cells with a textured, golden-brown surface. The cells are set against a background of smaller, out-of-focus cells of the same color, creating a sense of depth and biological complexity.

# Exceptional scientists wanted

Present your work to the world

Are you a representative of the upcoming generation of thought leaders in your field? Together we look forward to your application for the new Sartorius & *Science* Prize for Regenerative Medicine & Cell Therapy.

Apply now!
