CASE WESTERN RESERVE
UNIVERSITY EST. 1826

TENURED FACULTY POSITION IN CANCER RESEARCH

Case Western Reserve University School of Medicine
Case Comprehensive Cancer Center

The Case Comprehensive Cancer Center (<http://cancer.cwru.edu>), an NCI-designated Comprehensive Cancer Center, at CWRU, with affiliates University Hospitals Case Medical Center and Cleveland Clinic, invites applications for tenured faculty positions at the level of Associate or Full Professor. Applicants are being sought that have basic/translational research expertise in one of the following areas of cancer focus: Tumor Immunology, Drug Discovery, Genomics, Brain Tumors, Adolescent and Young Adult, and Women's Cancers. Qualified individuals should have a PhD with established expertise in the specific cancer to be studied. Candidates must also have a track record of a sustained and ongoing nationally funded research program, an outstanding record of collaborative cancer research activities and commitment to mentoring and teaching. Candidates for Full Professor should also demonstrate national and international recognition of their research program as well as success in leadership activities.

Successful candidates will be expected to interact closely with members of established basic and translational cancer center research programs. Where appropriate, identify interests in using human tissue and PDX models of cancer in the research effort. Primary appointment will be in the CWRU SOM department of expertise or in the Cancer Center.

Please send curriculum vitae and a cover letter outlining your research interests, and experience in mentoring electronically to: Stanton L. Gerson, MD, Director, Case Comprehensive Cancer Center, c/o cancersearch@case.edu. After initial review, you will be asked for a list of three or more references. Please include "Cancer Faculty Search" in the subject line.

In employment, as in education, Case Western Reserve University is committed to Equal Opportunity and Diversity. Women, veterans, members of underrepresented minority groups, and individuals with disabilities are encouraged to apply.

Case Western Reserve University provides reasonable accommodations to applicants with disabilities. Applicants requiring a reasonable accommodation for any part of the application and hiring process should contact the Office of Inclusion, Diversity and Equal Opportunity at 216-368-8877 to request a reasonable accommodation. Determinations as to granting reasonable accommodations for any applicant will be made on a case-by-case basis.

Artificial Intelligence (AI) is impacting science in new and exciting ways as scientists are using it to better understand society to find solutions to problems across diverse disciplines. This feature will give an overview of AI, and explore the hotspots/centers of excellence and applications for AI. Typical career paths for those working in AI will be explored as well as the opportunities that exist for careers in AI.

Your organization can brand itself as a leader in AI by raising your visibility alongside relevant content while attracting potential candidates. Contact us for further details.

Custom Publishing Office.

What makes Science the best choice for recruiting?

- Read and respected by 400,000 readers around the globe
- Your ad dollars support AAAS and its programs, which strengthens the global scientific community.

Why choose this AI Feature for your advertisement?

- Relevant ads lead off the career section with a special "AI" banner.

Expand your exposure by posting your print ad online:

- Link on the job board homepage directly to AI jobs
- Dedicated landing page for AI positions.

FOR RECRUITMENT IN SCIENCE, THERE'S ONLY ONE SCIENCE.

WALTER AND ROSALIE GOLDBERG PROFESSORSHIP
in Tropical Ecology

The Department of Biological Sciences at Florida International University (FIU, <http://biology.fiu.edu>) is pleased to announce the **Walter and Rosalie Goldberg Professorship in Tropical Ecology**. We seek a top scholar in any area of tropical ecology. The successful candidate will be expected to have an exceptional publication record, bring and maintain an active externally-funded research program, mentor graduate students, and teach courses in their area of expertise. The minimum requirements are a doctoral degree from an accredited institution, full professor or equivalent status, and a demonstrated record of achievement in academic research, teaching and service.

Qualified candidates are encouraged to apply to Job Opening ID 516044 at <http://facultycareers.fiu.edu> and attach a cover letter, curriculum vitae, and statements of research, teaching, and service as a single pdf file. Please also provide names and contact information for at least three references who will be contacted upon submission of application.

To receive full consideration, applications and required materials should be received by **November 30, 2018**. Review will continue until position is filled. Please direct inquiries about this search to the chair of the search committee, Dr. Todd Crowl, tcrowl@fiu.edu.

Eberly Research Fellows
at Penn State University

The Eberly College of Science at Penn State University invites nominees for the Eberly Research Fellowship program. Eberly Fellowships are designed to attract exceptional early career scientists to Penn State to enhance their career goals in the vibrant, highly collaborative environment of the Eberly College of Science and the broader STEM community of Penn State University. The Eberly College of Science which includes the Departments of Astronomy & Astrophysics, Biology, Biochemistry & Molecular Biology, Chemistry, Mathematics, Physics, and Statistics, ranks in the top 10 universities in the U.S. and has annual research expenditures exceeding \$110M. Each of the seven departments is expecting to appoint one or more Eberly Fellows. Nominations for early career scientists with exceptional promise in basic research in physics, chemistry, biology, molecular biology, astronomy, mathematics, and statistics and/or applied research in health, energy, materials, or the environment are encouraged. Interdisciplinary as well as traditional disciplinary research is encouraged. Fellows who wish to also gain training and experience in teaching may elect to receive mentored teaching experience. Eberly Fellow advisors must hold their primary appointment in one of the seven departments of the Eberly College of Science. Co-advisors and cross-disciplinary research are also supported.

Eligibility and appointment

Applicants must be a current doctoral student or have received a doctoral degree in science, statistics, or mathematics within the past three years. Current doctoral students must have their doctoral degree prior to the start of their fellowship. Current doctoral students and postdoctoral fellows at Penn State are not eligible. Eberly Research Fellowships may be held from 1-2 years with annual appointments conditional on satisfactory performance. Fellows will receive a stipend of \$65,000 and \$5,000 per year in discretionary funds, which can be used for travel and other research expenses.

Nomination and applications

Nominations will be accepted from faculty advisors, graduate program chairs, department chairs, or others who can attest to the nominee's potential as a scientist. Nominations should include the nominee's CV. Nominations of women and under-represented minorities are strongly encouraged. The nomination deadline is December 15, 2018 for appointments beginning 6-12 months later. Nominations should be sent to research-fellows@psu.edu

The Eberly Research Fellowship Selection Committee will select the nominees who will then be invited to submit their applications by January 15, 2019. Applications will include (1) a biographical sketch – including publications, accepted, and submitted manuscripts, (2) three letters of reference including one from the doctoral advisor, (3) research statement summarizing research accomplishments and research that you intend to pursue at Penn State, (4) names of one or more potential faculty advisors among the faculty in the seven departments of the Eberly College of Science, Penn State University.

CAMPUS SECURITY CRIME STATISTICS: For more about safety at Penn State, and to review the Annual Security Report which contains information about crime statistics and other safety and security matters, please go to <http://www.police.psu.edu/clery/>, which will also provide you with detail on how to request a hard copy of the Annual Security Report.

Penn State is an equal opportunity, affirmative action employer, and is committed to providing employment opportunities to all qualified applicants without regard to race, color, religion, age, sex, sexual orientation, gender identity, national origin, disability or protected veteran status.
